EDITOR'S NOTES:

FIRST, I wish to say thanks to all of you who sent in your early renewals. It turned out that they were not needed, but it took the sweat out of the job.

SECOND, I wish to thank those who sent in a little extra as donations. There were to many of them to mention, but very much appreciated. With the coming increase in postage, those little "extras" will help. Also, Please support the ATCO MAIL AUCTION BY SENDIND IN A GOOD TOKEN OR TWO TO: Ron Haberman, 4311 Pasadena Drive, Boise, Idaho 83705. Last month's auction realized $93.32. That is not bad and it could increase if you guys will send a token or two to Ron. This would certainly keep increases away from our doors. Many thanks to Ron for his effort!!!!

There are times when all of us forget to thank others for their efforts. We forget such people as Dick Worthington for his tireless effort in getting the Maverick page in each issue; Jim Partridge for his work with the library which is growing due to his and the efforts of those who donate material; and for Travis Roberts who handles all the complaints Sometimes his job is a big fat headache; and for those guys who supply us with the good articles that appear in ATCO. Which reminds me, we have a good supply and they will all be appearing in the ATCO pages and time and room permits. There are some excellent ones coming.

We are now going into our fourth year. Let's hope that ATCO keeps growing and that we can keep it as interesting as you guys say that it is. Thanks for the many kind letters that I have received from you in the last month!!

Also, we are in the period of the heavy renewals. We have put a new little section on the front page of ATCO which will tell you if your membership is running out with a particular issue. Those of you who have renewals coming up, please do it as soon as possible so that I don't have a ton of work when the February is due to come out.

And, one final note ( and I've probably forgotten to say something along the way of the big hurry ) I've closed this issue out a little early in the hopes of getting it to every one before Christmas. We closed out at 68 pages. There will probably be some late ads which will appear in the next issue. Those ads will be given front area preferance. All early ads go to the front and are added as they come in.

Finally, and last of all, the rumor that I heard. Binky escaped from Leavenworth. If anyone has information to verify this please let me know.

LETTERS TO THE EDITOR:

Dear Bill: Keep up the good work. I think you know now what I put up with for 7 years. It's a labor of love and there's always one out there that hassles you more than the other 4 or 5 hundred. I always felt the criticism of one was always outweighed by the nice comments of the other 4 or 5 hundred. It is so easy to set back and get ATCO (like METCA) and never fully understand all the work an editor puts forth. Keep up the great work.

Regards, Bary Bender.

(Editor's Note: Thanks Bary, I needed that. I received many nice letters and being that I cannot print them all, I can only say thanks for the support.)

LETTERS TO THE EDITOR:

Dear Bill: I see Binky is too close to Independence to suit me if he is just across the border in Leavenworth. To bad he is incarcerated....He could visit me and examine my manhole cover collection. I'd like a chance to bonk Binky with my heaviest manhole cover. Belly bumping Binky out of Colorado might be O.K., but I'd like to drop a few manhole covers on his toes to make him hop out of western Missouri.
TOM WALL

(Editor's Note: Tom you know you are just inviting trouble with Binky. He don't forget unkind words. He's liable to find where you live and run his truck through a wall.)

Dear Bill: You were so right to chastise us for not mailing our dues in early. I have no excuses, I just clean forgot. (Editor's Note: Bill's letter is typical of the dozens of letters that I received, not one member bawled me out - thanks) I am retaining membership in ATCO and TAMS and resigning all others. I have enough correspondence with ATCO members to keep me busy. And, I want to say that ATCO has the finest bunch of guys I have ever dealt with. Keep up the good work. My last mail bid was the best one yet.

Dear Bill: My apologies for not sending my dues last month - complete oversight. Sending $25.00 - maybe this is what the dues should be.

David L. Freed

(Thanks David - many sent a little extra as donations and they are appreciated. We have managed to stay in the black, but if everyone keeps raising printing, envelopes, etc. we might have to raise something - hope not!!! - your editor)

Dear Bill: My 1985 dues plus an extra $5.00 for doing such a hell of a good job.

Dear Bill: I would like to just write a note of acknowledgement to several members who answered my plea for help with my "Owyhee Buffet" token. I have been told that this token is from several places - Oregon, Idaho, Nevada and one said possible Hawaii and if from Hawaii, it would be one rare token.

Dear Bill - Please keep up the good work you're doing with ATCO. I so look forward to it each month. Winter is almost upon us again and ATCO issues are read and reread during the long evenings.
Best wishes from northern UTAH.

Roger B. Nielson

(Thanks Roger - - I don't get a chance to read the ads and wholly read the articles so I too look forward to reading ATCO. As soon as the first copy is gathered and stapled I put it by my bed for that nights good reading - your editor)

Dear Bill: Just traded an almost good Utah Sales Tax token for this token. The Idaho collector said it was a personal token of "BINKY".

De Kelsey - ATCO #81

(Editor's Note: De, I sure hope that Binky doesn't see this. He just might break out of Leavenworth and come after you or that Idaho collector. You may be in real trouble?????)

## MAN HOLE COVER COLLECTORS ORGANIZATION GETTING OFF TO A GREAT START - - -

THE PUBLICITY THAT THE MAN HOLE COVER COLLECTORS ARE GETTING IS GREAT - EVEN IN THE WALL STREET JOURNAL AND FROM AS FAR AWAY AS CANADA.

A letter comes from Don Stewart in Canada with an article about the "Second pedestrian injured by fall into open manhole." Apparently some of the man hole cover collectors can't wait to buy or trade man hole covers - they are stealing them right out of the man holes. Don further states that a Manhole Collectors Club has been formed and a monthly bulletin is now being issued under the title,"MCC Reports". Our first Manhole Show was held last weekend with 23 Bourse Dealers offering a wide selection to the discriminating collector. A sour note, as you might expect - can you imagine three vest pocket dealers brought pieces onto the floor? They were not spotted at the time, but footprints were later found in the hardwood floor where they had lingered when trying to make sales.

From the Wall Street Journal, November 29, 1984, comes an article about the making of manhole covers in India. The company that makes them is Alleyway Industialist and they seek their fortunes in capping the sewers of America. The article is to lenghthy to put in ATCO. This information comes from Ron Vore. Ron states that we had better start our collections now due to the wide variety of covers. He also states that we had better watch out for Indian counterfeits. The Indian maker, Mr. Jaidev doesn't know where his creations go and doesn't much care, although he is fond of the intricate cross-hatch patern on the ones bound for Detroit. It's a very beautiful cover, he states.

But, guys and gals, please let's not steal them in the dark of the night. You'd feel very bad if someone fell into an open man hole the next day and greatly injured themselves because of your greed to get a cover no one else has. Let's wait for the big shows and trade for them or buy them there. That way no one will get hurt. There have already been two arrests of new manhole cover collectors and the judge was not very easy going with them. He fined them $1,000 each.

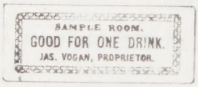

Your Editor.

## Wyatt Earp and The Mob of 500

In the spring of 1881 a gambler in Charleston nicknamed "Johnny-Behind-the Deuce "shot Henry Schneider,an engineer with the Tombstone Mining and Milling Corporation.After all,the engineer had drawn a knife during a poker game argument.The rougher element of the community suggested to the miners the idea of a necktie party for this breach of etiquette but the constable heard of it and loaded Johnny on a buckboard and raced towards Tombstone.With the howling mob shooting and the mules tiring the constable met Virgil Earp riding Wyatt's stout thoroughbred two miles from Tombstone near the Last Chance Saloon.After a brief explanation Virgil pulled Johnny up behind the saddle and headed for brothers Wyatt and Morgan in Tombstone.Failing to catch the quarry the mob gathered more miners,armed them,and prepared to storm the Marshal's Office.

Wyatt Earp decided on his defense,placed Johnny in James Vogan's adobe saloon on Allen Street with Virgil and Morgan guarding the rear door and himself in front at the curb carrying a sawed-off double-barrel shotgun.The vengeful miners,cowboys,Indian fighters,and frontier roughnecks halted at twenty feet from one man alone,armed and fearless. Eighteen buckshot separated the pursuers from their intended victim. In later years Wyatt explained he had not used any hot words but carefully reminded the wealthy mine owner Richard Gird what would happen to the front rank if he fired both barrels.First one and then another eased back,the tension ebbed,and Johnny was taken to Tucson where he promptly escaped.

"THE CRAZY DUTCHMAN"

by De Kelsey ATCO # 81

Like most towns named Eureka, the town of Eureka, Ut. was reported to be named so because when prospectors found the first indication of ore deposits they exclaimed "Eureka!" This exclamation is attributed to Archmedes, the celebrated philosopher, on the occasion when he discovered a method of determining the purity of the gold in King Hiero's crown. The literal translation of Eureka is "I have found it!" This brings to mind the story of one of Eureka's most colorful persons, John Beck, the Crazy Dutchman.

Soon after the Eureka Hill discovery in 1871, Beck filed on and quickly sold a claim he had staked in the Diamond area to the Fond-Du-Lac Company for the price of $1000.00. It was reported that one day while setting on his porch, he noted the location of the Eureka Hill Mine upon the side of a hill. Turning his attention to the bottom of the gulch below, he staked some claims and started to dig a shaft. Everybody laughed. "Nobody but a crazy man would pick a place like that!" they said as they kept to the ledges and higher ground. "The old fool is digging a well, but he ain't even doing that where the water is!" mocked others. He was the town joke alright--Old Beck of "Dutchtown", but he kept on digging anyway.

I can hear old Beck utter that immortal word "Eureka!" (I have found it!) when he struck ore at the two hundred foot level. He had correctly surmised that the Eureka Hill vein would come down through his Bullion-Beck property at the bottom of the gulch. Not only was this the case, but he found that his luck was far greater than he had at first realized! The vein was intersected by an east-west fault that resulted in even larger ore bodies than those of the Eureka Hill Mine. In his state of affluence, John Beck was able to do for others many of the things that were in his mind and heart. "He never forgot his own property when others were in need.

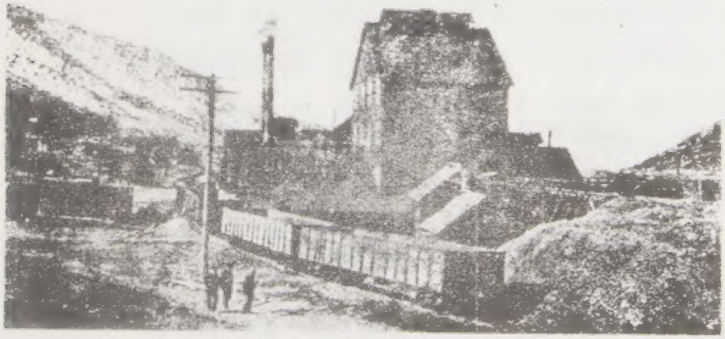

He was liberal to a fault. That quality, together with what might be called gullibility, caused him to spread his funds over

to great a area. Like many other men, one streak of good luck conditioned his mind to a state where he expected everything he touched to turn to gold.

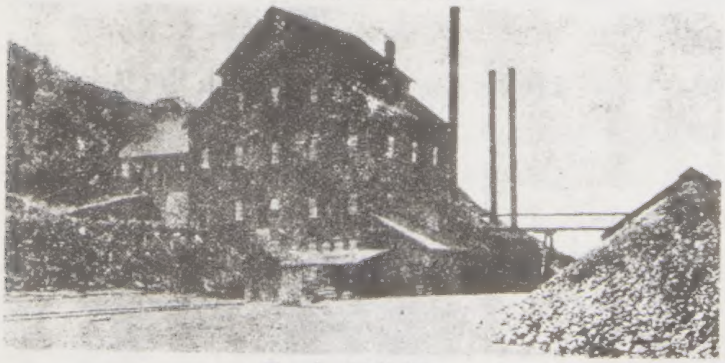

Old Beck of "Dutchtown", the Crazy Dutchtown, died a poor man inspite of all the wealth that had passed through his hands.

NOTE: Dutchtown was the lower west end of main street in Eureka where the Bullion-Beck Mine and Store were located.

Juab County records show that a Gen. License was purchased by the Bullion-Beck Merc. Co. on Sept. 21, 1907 in the town of Knightsville. Knightsville was located two miles east of Eureka and that this token was good at both stores. No tokens have been found from that store or any other store that was in Knightsville.

## IS IT SCRIP OR IS IT MEMOREX? BY BOB TEMARANTZ

MOST OF US REMEMBER THE MEMOREX COMMERCIAL OF RECORDING TAPE WHEN CONFUSED LISTENERS COULDN'T DECIDE IF ELLA FITZGERALD WAS SINGING LIVE OR JUST A RECORDING OF HER ON MEMOREX TAPE. MEMOREX HAS NOTHING TO DO WITH SCRIP BUT THE CONFUSION ON WHETHER ITS SCRIP OR A CHECK PLAYS A SIMILAR TUNE.

IN A RECENT ATCO AD OF NOVEMBER, 1984, IT OFFERED "ARIZONA TERRITORY (SIC): ARIZONA CO-OPERATIVE MERCANTILE INSTITUTION FEB. 14, 1896 $3.00 IN MERCHANDISE. NOT IN BIRT $325.00." SINCE I COLLECT ARIZONA SCRIP AND NOT HAVING SCRIP FROM THE A.C.M.I., DIFFERENT SOURCES SENT THEIR EXAMPLES OF A.C.M.I. SCRIP ON APPROVAL. I WAS SURPRISED TO LEARN WHAT DEALERS IN CALIFORNIA HAVE AND WHAT LIES IN A FAMOUS SOUTHERN CALIFORNIA COLLECTION IS NOT UNLISTED ARIZONA SCRIP BUT SIMPLY OLD CHECKS. ARIZONA CHECKS WHICH ARE NEVER LISTED IN ARIZONA TOKENS REVISED, BY HAL BIRT, JR.

PROSPECTIVE BUYERS SHOULD BE MADE AWARE OF THE DIFFERENCES BETWEEN SCRIP AND CHECKS. SCRIP IS ALWAYS PRE-PRINTED IN FRACTIONAL DENOMINATIONS OF UNDER A DOLLAR, A DOLLAR, AND MULTIPLE DOLLARS. CHECKS ARE A WRITTEN ORDER FOR THE PAYMENT OF MONEY OR MERCHANDISE FOR VARIOUS AMOUNTS. SCRIP IS REDEEMABLE IN MERCHANDISE, ETC., THAT ISN'T NEGOTIABLE AND IS REDEEMABLE ONLY AT A PARTICULAR BUSINESS LOCATION ISSUED BY A MERCHANT. THE A.C.M.I. CHECKS ARE FOR MERCHANDISE BUT THEY ARE A WRITTEN ORDER FOR VARIOUS AMOUNTS, NOT A PRE-PRINTED DENOMINATION REQUIRED TO BE SCRIP.

HOPE I'VE BEEN ABLE TO DIFFERENTIATE THE FINE LINE BETWEEN CHECKS AND SCRIP ADEQUATELY ENOUGH TO COLLECTORS OF SCRIP AS I COULD GREATLY EXPAND THIS SUBJECT. YOU ARE ON YOUR OWN WITH ELLA.

# WANTED A Tune for a Token

GOOD FOR A TUNE TOKENS WANTED - - - - - -

I AM AN AVID COLLECTOR OF NICKEL-SIZE, PRE 1920 TOKENS FROM ANYWHERE IN THE UNITED STATES, MARKED OR UNMARKED AS TO LOCATION WITH INSCRIPTIONS RELATING TO PIANOS OR MUSIC, SUCH AS "GOOD FOR A TUNE" FOR THE PIANO OR SOMETHING SIMILAR. I DESCRIBED MANY VARIETIES IN MY "A TUNE FOR A TOKEN" MONOGRAPH PUBLISHED SIX YEARS AGO. I CAN PARTICULARLY USE ANY ITEMS NOT DESCRIBED IN THIS REFERENCE (MANY VARIETIES HAVE COME TO LIGHT SINCE THEN).

SEND WHAT YOU CAN TOGETHER WITH THE PRICE DESIRED!!!!

**NEW HAMPSHIRE**

ALSO WANT FOR MY COLLECTION:

I DESIRE TO PURCHASE ANY AND ALL PRE-1920 TOKENS RELATING TO NEW HAMPSHIRE. I AM ALSO INTERESTED IN MEDALS OF NEW HAMPSHIRE, OBSOLETE PAPER MONEY FROM THE STATE AND OTHER NUMISMATIC MATERIAL. MY COLLECTION OF THESE IS JUST GETTING A GOOD START SO I CAN USE ALMOST ANYTHING. UNFORTUNATELY, I HAVE NOT PURCHASED A TRADING STOCK OF TOKENS SO I WOULD PREFER TO BUY WHAT YOU HAVE TO OFFER ME.

ANOTHER OF MY COLLECTING INTERESTS ARE 1793-1857 LARGE CENT COUNTERSTAMPED WITH FULL NAMES, POLITICAL SLOGANS, OR ADDRESSES (BUT NOT STRAY MARKS, NUMBERS OR ITITIALS).

THANKS FOR YOUR HELP WITH MY COLLECTION. I LOOK FORWARD TO YOUR LETTERS AND OFFERS.

It's easy reaching the big guys for news and comment. But how does Numismatic News reach the grass roots collector?

By moving about, from coin show to coin show.

Shows from L.A. to New York, Wisconsin to Texas. Some large and some small. We work. We socialize. We listen.

We reach out and keep in contact with collectors across the country.

## TOKENS, MIRRORS, ETC.

I am a serious collector in the following categories and I am willing and able to pay TOP MARKET PRICES for these items. My primary interest is in building a fine collection and I've been buying alot of nice pieces ... so I must be doing something right. Please write or call me if you have something that you think might interest me. I also have a substantial trading stock ... but of course I prefer to purchase outright.

ALASKA TOKENS - cataloguing $50 and up in Benice. Will pay $3,500 for the first McCarthy Alaska gold nugget token offered to me (cats $500). Paying $3,000 for the first Willis & Welch Chatanika Alaska shellcard offered to me (cats $750).

TERRITORIAL TOKENS - Good fors from Wyoming Terr (W.T.), Dakota Terr (D.T.), Arizona Terr (A.T.), Montana Terr (M.T.), Washington Terr (W.T.), and some Okla and Indian Terr (O.T. and I.T.) tokens. Paying $500 and up for most D.T., M.T., and W.T. tokens (except Carter, Camp Brown, FJD, Ward, Wanless and McCormick).

TEXAS PICTORIAL TOKENS - Will pay TOP DOLLAR for brass or white metal Heidemann-struck pictorials depicting ELEPHANTS, steers, horses, lady's leg, buildings, etc. Paying $325 and up for Texas pictorials (brass or white metal) depicting ELEPHANTS.

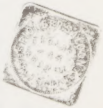

WESTERN STATES' GOOD-FOR MIRRORS - with pictures of the proprietor, fancy women or children on them. Paying $125 and MUCH MORE, depending upon the state and the mirror ... Colorado on West.

NEW MEXICO TOKENS - nice old good-fors. Any and all except the most common. There are many N.M. towns worth $100++ to me.

NEVADA TOKENS - nice old brass, aluminum or white metal good-fors. No modern gaming tokens. There are some towns worth several hundred dollars to me and quite a few worth $50 to $100++ to me. Many are "dug" so don't worry about condition ... I want 'em.

POST TRADER and WESTERN STATES' MILITARY - any old good-for saying "Trader" or "Post Trader". Also, old military tokens from Colorado on West.

SALOONS and INTERESTING OLD MAVERICKS - Paying top dollar for attributed or maverick saloons and ornate or pictorial mavericks depicting steers, burros, ELEPHANTS, horses, roosters, etc. I also collect the old novelty tokens that are Good for a (screw pictured) or Prize for the Largest (rooster pictured).

LETTERS TO THE EDITOR:

Dear Bill: In regard to your earlier statements regarding end of the year cash flow, I would like to offer the following comments: Although there are obviously many fairly affluent collectors now in the token market, it also seems likely that there are also many who are not. I think that a December issue is not an absolute necessity and that some collectors, myself included, might prefer a breather from collecting and be more interested in directing spending money towards their families, especially at Christmas time. Perhaps a double issue in November would suffice just as well and give you a mid-winter break. At any rate, keep up the good work. I hope you have a good holiday season!

Mike Pfefferkorn

(Editor's Note: That is a good suggestion - don't know what the membership feels about it but maybe this letter will bring comments. As to the "end of the year cash flow", I guess I worried to much, however we did just come out. Seems like everything we do goes up in cost. Now we face a postage increase. I have thought about mailing third class as TAMS does (and it does not seem to effect the receiving of copies on time). I don't know???? I do know that it would cut the postage costs. Right at the moment we don't have to worry to much about it until we run into a bind and from what I have seen in the generosity of some of the ATCO members it should not be a problem - I, Hope!!!)

Dear Bill:

I'm writing you in regards to Lot #52 in my last auction.I have had so many inquiries about it as to where I got the attribution of coming from Tascosa,Texas.Looking at the token I found a Cattle Exchange in Tascosa,Tex. listed in the Texas Token Book and this token having a Texas Long Horn steer on the reverse I took it to be another token from this town.I withdrew the token from my sale until someone comes up with an attribution.I am publishing a picture of the token to put everyone's mind at ease.

Description:Cattle Exchange/Good for/15¢/in/trade/Pat MCHugh. rev:Pic of Steer.(There is a made hole between the M & H. If anyone can shed some light on this maverick I would be more than pleased. The token is Brass and Round and 24 MM.

Ralph R.Burry.

P.S.Please find enclosed my dues for 1985 and a very Happy New Year to all collectors. R.R.B.

Dear Bill: I HAVE BEEN LOOKING FOR SOMETIME NOW FOR A GENERAL REFERENCE TO BE PUBLISHED ABOUT SO-CALLED CHINESE AMERICAN TOKENS. I PREFER TO CALL THEM TOKENS WITH ORIENTAL INSCRIPTIONS BUT CALL THEM WHAT YOU MAY, THERE IS VERY LITTLE INFORMATION AVAILABLE ABOUT THEM SO I HAVE TAKEN THE TASK OF CATALOGING THEM AND RESEARCHING OTHER ASPECTS OF THEM SUCH AS WHY WERE THEY ISSUED, BY WHOM, AND HOW SCARCE OR RARE ARE THEY? TO THESE ENDS I AM DEVELOPING A QUESTIONARE WHICH WILL BE SENT TO ANYONE WHO WOULD LIKE TO BE OF ASSISTANCE. I WILL PAY ALL POSTAGE AND COPYING COSTS, AND IF ANYONE WOULD LIKE TO SEND ME ITEMS IN THEIR COLLECTION THAT I DO NOT HAVE, I WILL PURCHASE THEM OUTRIGHT OR MAKE RUBBINGS,TAKE PHOTOS, ETC., AND RETURN ALL SUCH ITEMS THAT MAY BE SENT. PLEASE, HOWEVER, DO NOT SEND THEM UNLESS YOU WRITE FIRST. THANK YOU. ALL CORRESPONDENCE MAY BE DIRECTED TO:

LEE ROY E. WRIGHT, P.O. BOX 81, N. VERSAILLES, PA 15137

EDITOR'S NOTES:

NOT MUCH OF ANYTHING TO SAY, EXCEPT MANY THANKS TO THOSE WHO SENT THEIR RENEWALS IN EARLY ALONG WITH A NICE DONATION HERE AND THERE.

THERE ARE GOING TO BE ABOUT 50 MEMBERS WHO DO NOT GET THE FEBRUARY ISSUE BECAUSE THEY FAILED SEND A RENEWAL CHECK. I DON'T KNOW WHETHER IT IS BECAUSE OF THE ECONOMY, UNEMPLOYMENT OR JUST LOSS OF INTEREST. FOR THOSE WHO MIGHT HAPPEN TO BE OUT OF WORK AND DO NOT HAVE THE MONEY WE WILL BE GLAD TO TAKE A POST-DATED CHECK. WE WANT YOU TO GET ATCO.

# SALOONS AND THE TINTIC MINING DIST.

BY DE KELSEY - ATCO #81

ON DECEMBER 13, 1869, THE SUN BEAM LODE WAS LOCATED IN THE SOON TO BE TINTIC MINING DISTRICT OF UTAH. TINTIC BECAME THE SECOND LARGEST GOLD PRODUCER IN THE STATE OF UTAH, AND BY 1959 GOLD PRODUCTION IN OUNCES-PRODUCED PLACED THE TINTIC DISTRICT TWENTIETH IN THE TOP TWENTY-FIVE PRINCIPAL GOLD MINING DISTRICTS OF THE UNITED STATES. THE 2,648.000 OUNCES PRODUCED PLACES IT AHEAD OF THE MOTHER LODE DISTRICT IN CALAVERAS COUNTY, CALIFORNIA (2,046.000).

THE TINTIC MINING DISTRICT WAS MADE UP OF NINE (9) TOWNS EUREKA, ROBINSON, MAMMONTH, IRONTOWN, DIVIDEND, SILVER CITY, DIAMOND, HOMANVILLE, AND KNIGHTSVILLE. AND SOME 35 SALOONS OR BARS THUS PLACING IT IN THE TOP FIVE SALOON AND BAR TOKEN PRODUCERS IN THE STATE OF UTAH.

View of Eureka camp.

Mammoth (Uppertown) in 1879.

Northeast view of Jesse Knight's Knightsville.

Middletown and Robinson (Lowertown).

IT WAS IN 1871 THAT B.T. LeDUCE A FRENCE-CANADIAN, AND HIS PARTNER, JACK GILLIN CAME RIDING IN TO RUBY HOLLOW, LATER TO BE NAMED EUREKA. THEY ARRIVED WITH THREE BARRELS OF HARD LIQUOR AND OPENED THE FIRST SALOON IN A DUGOUT. OUTSIDE THE DOOR A ROUGH BENCH WAS CONSTRUCTED AND OVER THE DOOR THE WORD "SALOON" WAS PRINTED. THIS SAME YEAR ANOTHER SALOON WAS OPENED BY U.S. JACKSON AND WILLIAM HATFIELD. THE NAME OF THIS SALOON WAS MCMURPHY & HARTWELL SALOON. IT IS NOT KNOWN WHY THEY WOULD CALL IT BY TWO NAMES OTHER THAN THERE OWN, AT THIS SAME TIME THE FIRST PROSTITUTE ARRIVED AND SET UP SHOP. THUS THIS WAS THE START OF WHAT WAS TO BECOME A GREAT SALOON AND BAR TOKEN COLLECTING AREA,AS WELL AS MANY OTHER TYPES OF TOKENS. ALTHOUGH NOT MANY TOKENS WITH THE WORD SALOON ON THEM ARE KNOWN AT THIS TIME, THEY ARE STILL SHOWING UP ALL THE TIME. THERE ARE A GREAT NUMBER OF BAR TOKENS. TWO TRADE MIRRORS ARE KNOWN FROM EUREKA THE UNCLE SAM AND THE OXFORD RESORT. YOU MAY CHECK YOUR MAVERICKS FOR SOME OF THE FOLLOWING SALOONS; CUSICK SALOON, BUCKET OF BLOOD, COSMOPOLITAN, IRISH WISKEY, FINN, SILVER DOLLAR, OXFORD SALOON, CAPTAIN CHOPE SALOON (CAPS PLACE), MURPHY AND WILLIAMS, MIKE SULLIVAN, HUB SALOON, FITZGERALD SALOON, EXCELSIOR SALOON, MC MURPHY AND HARTWELL SALOON, ELITE SALOON, DIAMOND SALOON, WHITE ELEPHANT AND THE UNCLE SAM.

SOME OWNERS OF THESE SALOONS HAD A SALOON OR BAR IN OTHER MINING CAMPS, OXFORD RESORT WAS OWNED BY JAMES CROOK. HE HAD A BAR IN BINGHAM CANYON, AND PARK CITY. ALSO JOHN SMITH OWNED SMITHS BAR IN MAMMOTH, ROBINSON, EUREKA, AND SILVER CITY, ALONG WITH INTERESTS IN SEVERL BAR AND SALOONS IN BINGHAM CANYON. BE SURE TO CHECK YOUR MAVERICKS, YOU MAY HAVE ONE, IF SO SEND ME A RUBBING.

MAVERICK TRIVIA

Recently I received a note from Frank Siwiec, ATCO #249, and a clipping from a well known national magazine, concerning the origin of the word maverick.

Back in the 1800's there was still much open range land in Texas and other western cattle states. Being open range land any and all ranchers could run their cattle on such land but to identify ones own cattle from that of his neighbors, the practice of branding came into being.

Now it seems there was a Texas rancher named Samuel Maverick who refused to brand his cattle and thus many head of his cattle were subsequently branded by his neighbors. This of course outraged Mr. Maverick but his refusal to comply with the accepted practice of branding created this problem for himself. Unbranded cattle were fair game for the first branding iron to come along.

Thus today the term maverick is applied to anyone who is somewhat unconventional in his behavior as was Samuel Maverick, and in token collecting applies to those tokens that are unbranded with city and state.

Been on the block for 32 years. Saw some questionable hobby programs come down from Washington in that time. Got involved with all of them. Knew from experience what to do — how to go about changing minds and policies.

Victories for the hobby were sweet. There are more to come. Stick with us. Support us. Now more than ever, we're ready to serve your interests.

TOKENS, MIRRORS, ETC.

I am a serious collector in the following categories and I am willing and able to pay TOP MARKET PRICES for these items. My primary interest is in building a fine collection and I've been buying alot of nice pieces ... so I must be doing something right. Please write or call me if you have something that you think might interest me. I also have a substantial trading stock ... but of course I prefer to purchase outright.

ALASKA TOKENS - cataloguing $50 and up in Benice. Will pay $3,500 for the first McCarthy Alaska gold nugget token offered to me (cats $500). Paying $3,000 for the first Willis & Welch Chatanika Alaska shellcard offered to me (cats $750).

TERRITORIAL TOKENS - Good fors from Wyoming Terr (W.T.), Dakota Terr (D.T.), Arizona Terr (A.T.), Montana Terr (M.T.), Washington Terr (W.T.), and some Okla and Indian Terr (O.T. and I.T.) tokens. Paying $500 and up for most D.T., M.T., and W.T. tokens (except Carter, Camp Brown, FJD, Ward, Wanless and McCormick).

TEXAS PICTORIAL TOKENS - Will pay TOP DOLLAR for brass or white metal Heidemann-struck pictorials depicting ELEPHANTS, steers, horses, lady's leg, buildings, etc. Paying $325 and up for Texas pictorials (brass or white metal) depicting ELEPHANTS.

WESTERN STATES' GOOD-FOR MIRRORS - with pictures of the proprietor, fancy women or children on them. Paying $125 and MUCH MORE, depending upon the state and the mirror ... Colorado on West.

NEW MEXICO TOKENS - nice old good-fors. Any and all except the most common. There are many N.M. towns worth $100++ to me.

NEVADA TOKENS - nice old brass, aluminum or white metal good-fors. No modern gaming tokens. There are some towns worth several hundred dollars to me and quite a few worth $50 to $100++ to me. Many are "dug" so don't worry about condition ... I want 'em.

POST TRADER and WESTERN STATES' MILITARY - any old good-for saying "Trader" or "Post Trader". Also, old military tokens from Colorado on West.

SALOONS and INTERESTING OLD MAVERICKS - Paying top dollar for attributed or maverick saloons and ornate or pictorial mavericks depicting steers, burros, ELEPHANTS, horses, roosters, etc. I also collect the old novelty tokens that are Good for a (screw pictured) or Prize for the Largest (rooster pictured).

# WANTED A Tune for a Token

GOOD FOR A TUNE TOKENS WANTED - - - - - - -

I AM AN AVID COLLECTOR OF NICKEL-SIZE, PRE 1920 TOKENS FROM ANYWHERE IN THE UNITED STATES, MARKED OR UNMARKED AS TO LOCATION WITH INSCRIPTIONS RELATING TO PIANOS OR MUSIC, SUCH AS "GOOD FOR A TUNE" FOR THE PIANO OR SOMETHING SIMILAR. I DESCRIBED MANY VARIETIES IN MY "A TUNE FOR A TOKEN" MONOGRAPH PUBLISHED SIX YEARS AGO. I CAN PARTICULARLY USE ANY ITEMS NOT DESCRIBED IN THIS REFERENCE (MANY VARIETIES HAVE COME TO LIGHT SINCE THEN).

SEND WHAT YOU CAN TOGETHER WITH THE PRICE DESIRED!!!!

**NEW HAMPSHIRE**

ALSO WANT FOR MY COLLECTION:

I DESIRE TO PURCHASE ANY AND ALL PRE-1920 TOKENS RELATING TO NEW HAMPSHIRE. I AM ALSO INTERESTED IN MEDALS OF NEW HAMPSHIRE, OBSOLETE PAPER MONEY FROM THE STATE AND OTHER NUMISMATIC MATERIAL. MY COLLECTION OF THESE IS JUST GETTING A GOOD START SO I CAN USE ALMOST ANYTHING. UNFORTUNATELY, I HAVE NOT PURCHASED A TRADING STOCK OF TOKENS SO I WOULD PREFER TO BUY WHAT YOU HAVE TO OFFER ME.

ANOTHER OF MY COLLECTING INTERESTS ARE 1793-1857 LARGE CENT COUNTERSTAMPED WITH FULL NAMES, POLITICAL SLOGANS, OR ADDRESSES (BUT NOT STRAY MARKS, NUMBERS OR ITITIALS).

THANKS FOR YOUR HELP WITH MY COLLECTION. I LOOK FORWARD TO YOUR LETTERS AND OFFERS.

PLEASE NOTE:

I would like to buy a metal token from Vermont so I can complete my collection from every state. It is not necessary the token be a rare one, but I am not looking for a modern-day item.

If you are willing to sell me a Vermont token, please mail me a description of it, with your asking price.

If you would prefer, I am willing to trade this advertising mirror card from New Hampshire for an acceptable Vermont trade.

THIS IS FOR THE DECEMBER BIDS IN THE ATCO AUCTION .......$109.00. WE DO NEED BETTER TOKENS AS MOST OF THIS LAST GROUP WENT FOR $2.00.

Ron Haberman

(Editor's Note: Thanks Ron, that helps! If everyone would send one good token to Ron we would not have to worry about postage increases, printing increases, increases in the cost of our envelopes, etc. One good token from everyone would take care of all our problems. Think about it guys and gals.

I remember back (and this was a few years ago) when I was Auction Editor for METCA. The prices were not what they are today and yet we had auctions that ran $200 and $300. Why can't we do that now????)

Dear Bill: I received my February ATCO - a good job as usual. I did note something I don't like: One of the ATCO dealer members advertising token dies. Although I certainly attribute no bad motives to this person, or any one else, I hate to see token dies advertised for sale unless they have been defaced. The reason is obvious. Somewhere, sometime, somebody is going to decide to use the dies for their original purpose and somebody, somewhere is going to get stuck with reissues.

Dear Bill: I feel that for the good of all, I should relieve your fears about Binky. Ralph (a good standing member of ATCO) and I were eating at a local truck stop about 2 weeks ago. The waitress, knowing I was a nurse, asked me to look at this man. He had money, but was in a terrible state. He could not vocalize enough to say who he was, or why he was there. Just paid his bill, but continued to sit in the booth. Almost immediately I recognized him as BINKY. He kept muttering something about the Feds, Clapper, ATCO - words only Ralph and I could understand. Some truckers showed us his rig, which was parked outside. It was dusty, dented up, tires worn to the thread, but driveable. We asked the truckers to move the truck to a safe place (keys were still in the switch). When we said we would take charge of Binky, they gave us the keys. Ralph and I got him to the local convalescent center where I am employed. We got a doctor to look at him. The doctor said that Binky was so full of anxiety that he had lost touch with reality. After a few days he was able to tell us that he had been on the run since his escape from the pen. The doctor kept Binky's secret until he was well nourished, and fully oriented. Then it was the doctor's duty to let the "feds" know what was happening. Last week two well dressed men came in to the convelescent center and demanded to see Binky. I thought all was lost, that Binky was indeed headed for the slammer. Instead, after numberous questions, and finding Binky was not wanted locally, they informed Binky that all federal charges against him were dropped. Some how, he had gotten a bum rap, and was falsely accused. The scoundrel who had really committed the crime was apprehended, and was now in the jug. Then Binky really perked up. He was most angry because his clothing had been laundered. He wanted his old crudy clothing back along with his hat and other belongings, including the keys to his truck. The doctor, with some misgivings released him. Binky, then, had Ralph and I take him back to the truck stop. He bought all new tires to replace those

worn out threads and then treated his truck to a complete overhaul. Binky really supported the economy of this small town while here.
Yesterday, he bid us goodbye and drove his rig into the sunset on U.S. 30 West. He did promise to return to the area on March 17th to attend the IKO TAMS MEETING AT THE RED CARPET INN, IN FT. WAYNE, INDIANA. If any of you want to meet Binky and wish to attend the meeting I will provide you with directions.

Sincerely, VIRGINIA KING

(Editor's Note: Thanks Virginia. I was really worried about Binky. Am glad to know he is well and back on the road.)

ARCHEOLOGISTS FIND TOKENS IN OLD SACRAMENTO

Papers on Old Sacramento Archaeology, Calif. Arch. Repts., No. 19, Apr. 1980 includes a report by Glenn J. Farris, COINS & TOKENS OF OLD SACRAMENTO, which describes nineteen tokens found mainly in the vicinity of 226, 228 and 230 J Street. These include eight Old Universal Saloon tokens. This Saloon is said to have been operated by Mrs. Angeline Marincovich at 230 J Street in conjunction with a restaurant at 228 J Street owned by M. J. Marincovich.

Other tokens recovered in this dig include Bauer's of 710 J Street, which was the site of Wissemann's Saloon; Duhain & Radonich of 130 K Street, home of the Gem Saloon and Grill; Golden Gate Saloon of 500 K Street, operated by Rasmus Carstenson; Bouie's Cafe (Boede's) of 1015 Fifth Street owned by William Boedefeld; J. W. H. Cigar Store of 816 K Street operated by J. W. Rogers; and Wingard's at 25th and O Streets. Also found were a few tokens from outside of Old Sacramento, including one of Wm Albaugh of Douglas, Wyoming.

Mr. Farris has researched these tokens in an interesting manner and it might be worth while for interested collectors to locate a copy of his report.

Dear Bill: With regard to the letter from Mike Pfefferkorn relating to a combined Nov/Dec. issue of ATCO. I agree with Mike. As much as I am addicted to ATCO (I eagerly look forward to receiving it each month) you shouldn't have to cut into your Christmas holiday activities for a non-profit venture - or any venture for that matter. Christmas is a special time of the year for me, and if it is for you also - enjoy! Take a break.

Next, regarding bulk rate postage for ATCO - why not! It makes perfectly good sense to me, so long as it does not pose a problem with mail bid deadlines, etc. Surely it will slow down the price increases for membership dues and members will appreciate that. Especially those who have to watch their budgets, and don't count themselves among the wealthy. Hope that these comments are useful, Bill. Take care.

Every good wish, Elijah Singley.

(Editor's note: I received about two dozen letters. All much like that of Elijah. HAVING A SUPER, LARGE NOVEMBER ISSUE AND THEN COMING OUT AGAIN WITH A LARGE JANUARY ISSUE WILL BE BENEFICIAL TO ALL. TOO, USING THE BULK MAIL RATE WILL NOT MAKE THAT MUCH DIFFERENCE IN THE DELIVERY OF ATCO. WE CAN ALL ADJUST TO IT. BECAUSE IT WILL COST SO MUCH LESS TO MAIL ATCO WE CAN PUT MORE ARTICLES IN WITHOUT THE WORRY OF THE EXTRA POSTAGE THAT WE HAVE GONE THROUGH IN THE PAST YEARS. I BELIEVE YOU KNOW THAT I WORRY ABOUT SUCH THINGS. THAT ALSO MEANS THAT SOME OF YOU NEED TO GET BUSY AND WRITE ARTICLES - THERE WILL BE MORE OF THEM IN COMING ISSUES OF ATCO. PROBABLY A LITTLE MORE OF MY NONSENSE TOO, BUT MOST EXPECT IT OF ME - HA! AND, SO YOU HAVE A SUPER ISSUE TO START OUR NEW MAILING PROCESS OFF AND I DON'T THINK ANY ONE WILL OBJECT TO THAT. RIGHT?

UNDER THE BULK MAIL PROCESS EACH STATE IS BAGGED BY ME. IT IS SENT TO THAT STATE WITHOUT THE POST OFFICE EVEN GETTING INTO IT. EACH BUNDLE MUST BE MARKED WITH A STICKER AND BANDED. SMALLER STATES WITH ONLY TWO OR THREE MEMBERS ARE PUT IN A MISC. BAG AND THAT IS THEN SORTED LOCALLY. ABOUT IT. Bill.

GHOST TOWN GIVES UP TRADE TOKENS
BY, ORE H. VACKETTA, NLG

Southern Illinois Exonumists--D.Mark Ballard and Robert R. Gates, travelled to Conant, (Perry County) Illinois in search of coal mine lamps and other exonumia. While there they uncovered some trade tokens of the A.F. Beck & Sons General Store.

After receiving a set for my collection, I researched the town of Conant and the A.F. Beck & Sons store; two interesting stories developed.

My grandfather's farm, where I spent six months when six years of age, was near Willisville,which is near Conant. I attended school in Denmark, another Ghost town, near Willisville.

Conant is a ghost town in Perry County, four miles west of Pinckneyville, having only the closed Beck store & house, plus another house. It is on a dead end country road, running south of State Route 154. The Wabash Chester and Western Railroad track was built across Perry County in 1871, with a station located in Conant. The Town of Conant was named for the Conant family who lived there. After a small mine was sunk by the railroad; three stores were opened and a post office was secured. One of the stores was the A.F.Beck General Store.

In 1897 the Trinity Lutheran Church was organized and a building erected by the German farmers. Residents were of old German stock. Many of them were reared in Conant and never learned to speak English.

During the first World War some radical patriots looked upon the people as Germans and not Americans. Rumors spread that they were German spies for the Kaiser. There were two anti-German riots there during the war. One mob tar & feathered one merchant and another mob attacked A.F.Beck, the old storekeeper. They had tar and feathers but Mr. Beck held them at bay until the sheriff and State's Attorney arrived. The sheriff broke up the mob when he announced it was an unlawful assembly. "These people are loyal Americans as any of you," he announced, "And I will shoot any man who lays a hand on this old storekeeper."

The Beck store went out of business a few years ago. It was last operated by Fred Beck, a son of A.F. Beck. Fred was born in Conant in 1890.

I want to thank Mr. D. Mark Ballard for a copy of the tokens and Mr. Glenn J. Sneed for the information on 'Ghost Towns of Southern Illinois.

# THE THEATRE COMIQUE TOKENS.

An Enigma by Ralph R.Burry F.C.N.R.S.

I have in my collection for a number of years,a token,issued by a "THEATRE COMIQUE" and it has puzzled me for quite a long time. I started to research the theatre companies of North America and came up with some very interesting information,and keeping in mind these tokens are old as is the theatre company which is called the "THEATRE COMIQUE",this story is at the best,a theory.

In 1876 the Theatre Comique was opened in Seattle.It was a bar or saloon with a theater in conjunction-which was called a box house in the Jargon of the day.The term came from the fact that the balcony in such places was partitioned off into curtained alcoves or boxes(in the case of the Comique there were 24 boxes),from where one could see the show and not be seen.The girls of the establishment worked the boxes between the different plays and encouraged the patrons to buy drinks and at the end of the evening collected their commissions by cashing in Tokens or Checks issued by the barmen to them.Such houses were not in the best repute.They mainly catered to Lumberjacks and men of the woods who came into town with half a years pay in their pockets,ready to celebrate the "Splash",when the logs were sent down the river.

Entertainment has long been associated with Saloons,although never very often got newspaper recognition.Barrett's Saloon in Walla Walla,Washington very often featured acts of Juggling,Singing and daring feats of might and strength.

The Theatre Comique was the best fitted establishment of its kind in the Washington Territories,and was one of the first places to be advertised as a theater and as a permanent Company.Although the program was a minstrel show,with a cast of twelve and the general policy was announced as a variety show.The Puget Sound Dispatch news paper declared the audiences quite large and remarkably quiet. When one conciders the circumstances under which the shows were presented it does not seem strange that there were frequent complaint of rowdy melees in the theaters of the time.

The Theatre Comique was very successful and after the Grand opening they toured Port Townsend and even in Victoria,British Columbia as the "THEATRE COMIQUE TROUP"and returning to Seattle in the Comique Theater as the Star Variety Troupe,and later played several performances at the famous"YESLER HALL" and one at the "ALHAMBRA HALL" in Seattle as the San Francisco Troupe.

Throughout these early times there were two strains of variety shows,one represented by minstrel troupes and travelling companies that played at respectable halls and theaters,and the other by the shows presented in "Box Houses and Saloons".This is not to say that one was more superior to the other as many permanent companies were excellent,but the general public would not accept the conditions under which their shows were presented.

** In the spring of 1893,Kaslo,a small town in the Kootenays,a district of British Columbia,Canada,was situated on the Kootenay lake and was booming as over One Hundred Passengers arrived daily from the United States.This was the beginning of the famous SILVER

THEATRE COMIQUE part 2

RUSH that was to dot the Kootenay region with hundreds of mining towns and small claims.Kaslo soon inherited the American version of the music hall,the COMIQUE.(Incidently the name"Comique"is derived from the 19th Century French light Opera called "Opera Comique").This name was applied by certain managers to their Honky Tonks because it sounded respectful.

The Holland Brothers who operated the THEATRE COMIQUE in Spokane Washington arrived in Kaslo,B.C. on April 27th,1893 with Eighty Girls who served as dancers,actresses and "Box Hustlers".A three story temple of vocal and musical novelties was erected where strictly first class entertainment could be enjoyed nightly,beginning at 8.30,at least that is what the advertisement said.The management hid their real entertainment and enterprises--victimising the miners--under a facade of theatrical respectability.Matinees were offered as soon as the Comique opened to enable the ladies and children to witness at least one dramatic and specialty performance during the week.Anything offensive to the ladies would not be tolerated.The first matinee was Proffessor Samwell's Intelligent troupe of performing horses,monkeys, goats and dogs,plus the Morton and Howe Dramatic Club and their songs and renditions of old favourites.This kept the finer people of Kaslo happy and pleased.

The real nature of the COMIQUE can be seen in the diary of Joe Graham,Kaslo's only constable at the time and a few excerpts here can explain:

May 11: I cautioned the women of the THEATRE COMIQUE to conduct themselves after leaving the theater and not to be running around drunk.A Miss Kitty Goodwin of thr Comique was always the ringleader.

Sept.4: I cautioned two of the THEATRE COMIQUE about going out to one of the houses of prostitution in Kaslo after their day at the theater to solicit.I also cautioned Miss Emma Dale about encouraging girls of the Comique into her brothel.

These girls were the "Box Hustlers" of the troupe.

It was when the other Saloon keepers and merchants of Kaslo,who were envious of the Comique's plunder and success brought out a petition to take action against the Theatre Comique Troupe.The city put a ten dollar fee for each day of entertainment.This apparently was too much for the troupe and they refused to pay it.

Miss Kitty Goodwin the before mentioned leader of the Comique girls formed the Kitty Goodwin Burlesque Company and toured Kootney towns with a large troupe of girls.In the meantime the Comique was continuing in Kaslo as a saloon until May 1894 when the Licencing Board of thy city shut the THEATRE COMIQUE down.The Holland Brothers found new pasture in the famous old town of New Denver,B.C.The moral fashion of the Comique was so low that the towns people rebelled and so the THEATRE COMIQUE in New Denver never got off the ground. The troupe went back to Kaslo promising to mend their ways and give a good show,but after about three month they went back to their old way of showmanship.The infection spreadto other Kootenay towns,first it was in Rossland and finnally in April 1898 a second"THEATRE COMIQUE" was started in Sandon,B.C.It was by the efforts of the respectable people and the Newspaper of the town the THEATRE COMIQUE's Career

THEATRE COMIQUE part 3

came to an end and a great fire of Sandon,B.C. finished them for good.
The Theatre Comique died about the start of the 1900s in Canada. The Theatre Comique lived on in the United States until about 1912. It was in July 26th 1852 the first listing appeared for the COMIQUE theater so this great chain lasted for 60 years in the Northwest.

I don't know where the Comique tokens that are known were used but they must be the change of some customer in one of the now long goneTHEATRE COMIQUE box show.Many theater groups travelled all over for the same cause and we have listed in our B.C.Tokens several tokens from a John Cort who had a Standard theater here in Victoria long before the turn of the century and served drinks and used the box house system as did the THEATRE COMIQUE.

## MY SEARCH TO AUTHENTICATE AN INTERESTING MAVERICK

Because the old style, brass L.H.Moise, S.F. made token was dug and found in Las Cruces, I thought it was probably from there. On the obverse were the intriguing words "ELK HEAD-QUARTERS", and the reverse had the name M. VALDEZ, good for 5¢ in trade. I doubted that it was from the fraternal Order of the ELKS, as I had never seen a similar one.

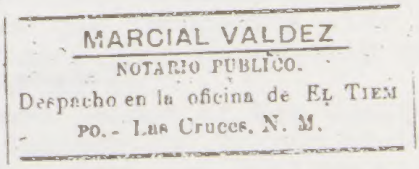

I found in an 1897 directory, a listing for Marcial Valdez and son (L.L.) as publishers and editors of the Spanish language newspaper, EL TIEMPO, which he had established in 1881, but thought it unlikely that a Publisher would issue a token. Also listed in 1897 was a Manuel Valdez as a Justice. Marcial continued to be listed as a Publisher, and in 1905 he was a Probate Judge. Then I found in the March 18, 1911 issue of his newspaper where he advertised as a Notary Public, and in the same issue and page was the ad for the store and meat market of the firm of Lucero & Reinhart with Esquina M. Valdez as butcher and proprietor, located on 'Calle Sur Principal' (Main St.). I also found in a 1913 map of Las Cruces that the B.P.O.E. Lodge was located on the block between Main and Water Streets, facing Main. The fact that the business of Esquina M. Valdez was also located on Main St. would indicate that "ELK HEAD-QUARTERS" refers to the building which housed his business, rather than having any connection with the organization, and that it was possible the butcher shop was located in the building belonging to the fraternal order. It is known that in 1921 , this building was used for rooms and by 1927, it was a theater, with stores in front.

At this time, I don't know if there was any relation between Marcial Valdez or Manuel Valdez with Esquina M. Valdez, the butcher shop operator for the firm of Lucero & Reinhart in Las Cruces, New Mexico. In an 1908 listing it was called the Ranch Meat Market, Main St.

The above identification of the maverick token is only my speculation, based on what few facts I have been able to gather.

## TOKENS, MIRRORS, ETC.

I am a serious collector in the following categories and I am willing and able to pay TOP MARKET PRICES for these items. My primary interest is in building a fine collection and I've been buying alot of nice pieces ... so I must be doing something right. Please write or call me if you have something that you think might interest me. I also have a substantial trading stock ... but of course I prefer to purchase outright.

ALASKA TOKENS - cataloguing $50 and up in Benice. Will pay $3,500 for the first McCarthy Alaska gold nugget token offered to me (cats $500). Paying $3,000 for the first Willis & Welch Chatanika Alaska shellcard offered to me (cats $750).

TERRITORIAL TOKENS - Good fors from Wyoming Terr (W.T.), Dakota Terr (D.T.), Arizona Terr (A.T.), Montana Terr (M.T.), Washington Terr (W.T.), and some Okla and Indian Terr (O.T. and I.T.) tokens. Paying $500 and up for most D.T., M.T., and W.T. tokens (except Carter, Camp Brown, FJD, Ward, Wanless and McCormick).

TEXAS PICTORIAL TOKENS - Will pay TOP DOLLAR for brass or white metal Heidemann-struck pictorials depicting ELEPHANTS, steers, horses, lady's leg, buildings, etc. Paying $325 and up for Texas pictorials (brass or white metal) depicting ELEPHANTS.

WESTERN STATES' GOOD-FOR MIRRORS - with pictures of the proprietor, fancy women or children on them. Paying $125 and MUCH MORE, depending upon the state and the mirror ... Colorado on West.

NEW MEXICO TOKENS - nice old good-fors. Any and all except the most common. There are many N.M. towns worth $100++ to me.

NEVADA TOKENS - nice old brass, aluminum or white metal good-fors. No modern gaming tokens. There are some towns worth several hundred dollars to me and quite a few worth $50 to $100++ to me. Many are "dug" so don't worry about condition ... I want 'em.

POST TRADER and WESTERN STATES' MILITARY - any old good-for saying "Trader" or "Post Trader". Also, old military tokens from Colorado on West.

SALOONS and INTERESTING OLD MAVERICKS - Paying top dollar for attributed or maverick saloons and ornate or pictorial mavericks depicting steers, burros, ELEPHANTS, horses, roosters, etc. I also collect the old novelty tokens that are Good for a (screw pictured) or Prize for the Largest (rooster pictured).

# WANTED A Tune for a Token

GOOD FOR A TUNE TOKENS WANTED - - - - - - -

I AM AN AVID COLLECTOR OF NICKEL-SIZE, PRE 1920 TOKENS FROM ANYWHERE IN THE UNITED STATES, MARKED OR UNMARKED AS TO LOCATION WITH INSCRIPTIONS RELATING TO PIANOS OR MUSIC, SUCH AS "GOOD FOR A TUNE" FOR THE PIANO OR SOMETHING SIMILAR. I DESCRIBED MANY VARIETIES IN MY "A TUNE FOR A TOKEN" MONOGRAPH PUBLISHED SIX YEARS AGO. I CAN PARTICULARLY USE ANY ITEMS NOT DESCRIBED IN THIS REFERENCE (MANY VARIETIES HAVE COME TO LIGHT SINCE THEN).

SEND WHAT YOU CAN TOGETHER WITH THE PRICE DESIRED!!!!

**NEW HAMPSHIRE**

ALSO WANT FOR MY COLLECTION:

I DESIRE TO PURCHASE ANY AND ALL PRE-1920 TOKENS RELATING TO NEW HAMPSHIRE. I AM ALSO INTERESTED IN MEDALS OF NEW HAMPSHIRE, OBSOLETE PAPER MONEY FROM THE STATE AND OTHER NUMISMATIC MATERIAL. MY COLLECTION OF THESE IS JUST GETTING A GOOD START SO I CAN USE ALMOST ANYTHING. UNFORTUNATELY, I HAVE NOT PURCHASED A TRADING STOCK OF TOKENS SO I WOULD PREFER TO BUY WHAT YOU HAVE TO OFFER ME.

ANOTHER OF MY COLLECTING INTERESTS ARE 1793-1857 LARGE CENT COUNTERSTAMPED WITH FULL NAMES, POLITICAL SLOGANS, OR ADDRESSES (BUT NOT STRAY MARKS, NUMBERS OR ITITIALS).

THANKS FOR YOUR HELP WITH MY COLLECTION. I LOOK FORWARD TO YOUR LETTERS AND OFFERS.

IN THE NEXT ISSUE (Some interesting Articles - One being W. M. RITTER LUMBER COMPANY, by Joe Copeland.

As usually follows a large issue, a smaller one. Delivery should be better. After talking to the Post Office yesterday we would gain nothing by 2nd class mail. But, we did learn how to hurry deliver by a few days, and that will help. Be sure and read my editorial. Few of you know the work that is involved in getting ATCO out and I just don't need those few gripers continuing to harp. I've gotten to many letters from some of the main collectors who say what we are doing is O.K. so long as we extend the closing dates of the bids, which we have done and which the advertisers in this issue have done.

KEEP ST. LOUIS IN MIND!!!

## FROM YOUR EDITOR!!!

A few of you managed to make my life miserable over the past three weeks, but thank goodness it was only a small percentage of the membership.

Some still do not understand why we went to bulk mail and I'll explain. First, other publications, such as TAMS, gets along with bulk mail just fine as do other publications in collector fields. We will adjust to it and have changed the bid closing date of the ATCO rules on page two to read the "25th of the month."

Over the past four months we have lost about 81 members (mostly curiosity seekers and those who wanted to see what ATCO was all about) The income loss amounted to about $1,215.00. I have been trying to buy a new typewritter for almost a year (about $1,000) and have been unable to do so because there was not enough money to buy it. The first class mail increase was not a whole lot but combined with other cost increases and loss of membership was going to cause one of two things: (1) An increase in membership and full page advertising rates from the present $15.00 to $22.50 each. Many members could not afford this and it would certainly cause less advertising which would be a detriment to those members who depend on the ads to increase their collections. (2) the other thing was bulk mail, which we decided to go for and in so doing stop any thought of increases in any form. You must just learn to adjust to it.

Too, the last issue was an 80 page issue which took long to get out. We did not get it mailed until the 25th which caused some delay in delivery. Next, we learned that even if we have just three copies going to a state we can bag it separately for that state and in doing so increase delivery by several days. With the March issue if there were ten copies or less I bagged it for Sioux Falls distrubtion to the states. That also cost time. So, we hope that the April issue will do much better.

Too, I would like to have all the copies of ATCO come to me from the printers stapled and ready for mail. Probably most of you don't know who does that. We get the printing in stacks. Hours upon hours are spent in gathering them, folding them, stapling them and then stuffing the envelopes. This does not count the work of getting labels printed and placed on the envelopes. Most of you just see ATCO come to you without realizing the tremendous amount of work that goes into it. Not being married (although raising two boys by myself) I have time nights and weekends that most of you do not have and that time is spent with my boys and ATCO. If I was to be paid $5.00 an hour for doing ATCO you could not afford me, unless you raised the dues rates to about $30.00 a year.

In fact, here is a little excerpt from Bob Lemke, editor of Sports Collectors Digest. The article is call "Mail Delivery - we're frustrated too! I will quote, "Many of you, over the years, have suggested that we offer a first-class subscription to SCD as a way of easing mail delays, but I still don't like the idea. Just the postage to mail your 26 annual issues via first class mail would cost in the area of $60.00, and we'd have to add something over and above that for the printing, normal overhead, special handling, inserting into envelopes, etc., that would require, not to mention making a profit. You'd certainly be looking at a $100 subscription."

Using Bob Lemke's figures, and Bob is a lot better editor than I am, we would be looking at $33.00 a year membership fee.

I also received a nice letter from Lloyd Andreis, Jr., editor of Timber Lines, the publication dedicated to wood collectors. I quote, "Just a note to say thanks for sending the ATCO so fast, and to give a few comments on bulk-mail. Bulk-mail while moving slowly as third-class mail is quit satisfactory now that I have gotten my deadlines straightened out, and can get it in members hands about the same time each month...Of course I also have to deal with St. Louis processing center, which has been designated as the poorest in the nation."

So, guys and gals, take into consideration that there is a lot of work to ATCO and that I get it out of here at a reasonable time. Holler at your post offices where the main problem is.

AND FOR THOSE WHO JUST CAN'T WAIT TO GET ATCO EACH MONTH I'LL START A FIRST CLASS LIST IF YOU FEEL THAT IT IS WORTH AN EXTRA $7.50 A YEAR. IF YOU WANT TO BE ON THIS SPECIAL LIST THEN SEND AN EXTRA $7.50. I AM GOING TO GET MY NEW TYPEWRITTER!!!!!!!!!!!!

FROM YOUR EDITOR, Continued:

One of the big problems that I have each month, which is a lot of extra work, are those members who have been given notice that their membership expires and they wait until the next issue is out before renewing. By that time I have pulled their membership card and removed their name from the mailing list.

In the future, those who renew late will miss that next issue, unless they send $2.00 for a reinstatement fee which will also cover the first class postage that will be necessary if they want that issue.

And, we have raised the rates for all Canadian and foreign memberships. We cannot use bulk mail for these and in order for it to be fair for everyone all rates for these members will take effect at renewal time. See page 2.

LETTERS TO THE EDITOR: (Please excuse not printing all the gripes that I received)

Dear Bill: When I get my ATCO the first thing that I do is look at the back page to see if the Indian, "Plenty Horses" has a smile on his face. If would make my day if he would smile. After all, we've been looking at him for some months and he's still got that frown.

Mike O'Brien

(Editor's note: You won't have to look at him anymore. The ad has been changed. Too, I looked high and low for a picture of an Indian with a smile on his face and could find none)

TO THE MEMBERSHIP:

It has been reported to me by two members of ATCO that they have been unable to collect for mail bid items sent to a non-member. This non-member was the subject of both of the complaints. There may be others out there that are having the same problem. I want to hear about it.

If you are having the same problem, take your paper work (the bid, mailing information, etc.) to your post office. Give the information to your Postal Inspector.

Second, if you hold a mail bid sale and a non-member is the successful bidder, I recommend that you invoice first IF you have not established credit with him.

If we can be of further service, please let us know.

Thank you,

Travis Roberts, Ethics Committee, Box 1168, Bellaire, Texas 77401

Dear Bill: I am happy to see in my March ATCO that someone else is concerned about the listings of token dies that have been listed in mail bid sales from time to time, not only in ATCO, but in other publications over the past years. Thank you, Donald Kay, I feel the same way you do. I think it would be a great asset to all collectors, new and old, to have such a list made up and published in some way for the collectors protection. I believe this could be done with the cooperation of the membership. I do believe that it is one idea that all serious collectors should be concerned with due to the higher prices tokens are demanding.

TURKEY OF THE MONTH AWARD GOES TO THE COLLECTOR WHO COMPLAINED THAT AN 80 PAGE ISSUE IS TO MUCH TO "SIFT THROUGH" AND TO GET BACK TO THE 60 PAGE ISSUES. I like the idea of 60 or 68 page issues, but when so much comes in in one month, then we either print it or hold some until next month - it would catch up with us eventually and we'd still have to publish a big issue.

Dear Bill: Sorry I haven't written lately but I have been tied up in something I couldn't get out of very easy. I hope to be loose for a while so I will be around kicking.

There have been some nice tokens in the ATCO auctions lately. I don't guess I have made anyone mad because being the nice guy that I am, I never over bid anyone. Sometimes I wonder if the participants are collectors or investors. I'm afraid, due to some of the prices paid, that some of our collectors have become investors without knowing it.

I'm already working on my schedule to make the ATCO show in September. I have a feeling it will be a big one. It's central and should be easy for everyone.

Keep up the good work, BINKY

MORE EDITORS NOTES:

WE HAVE RECEIVED ABOUT 60 LETTERS WITH REGARD TO A LARGE NOVEMBER AND JANUARY ISSUE. ONLY ONE LETTER AGAINST IT.

So, we will have a LARGE JULY/AUGUST ISSUE AND A LARGE NOVEMBER AND JANUARY ISSUE AND NOT HAVE A DECEMBER ISSUE. IF EVERYONE KEEPS THIS IN MIND WE CAN HAVE 80 PAGES OR EVEN MORE IN THESE ISSUES.

## TRADE CARDS - TO COLLECT OR NOT COLLECT THEM????

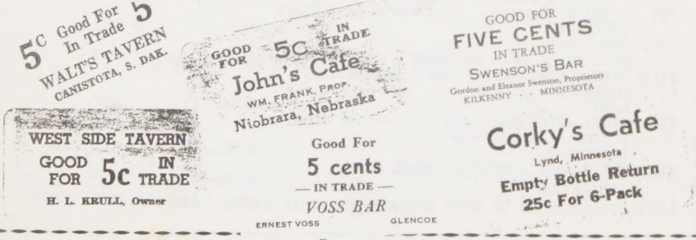

TRADE CARDS WERE MADE FOR THE SAME PURPOSE AS METAL TRADE TOKENS AND YET SOME COLLECTORS REJECT THEM AS NOT BEING IN THE SAME CATEGORY AS METAL TRADE TOKENS.

I believe they are an important part of the hobby of collecting trade tokens and in many cases much rarer than the metal trade token because they were so easily destroyed. But, someone will say, but they are so easy to counterfeit. Anything can be counterfeited, even the great masters of the arts. Who would want to counterfeit cardboard tokens??

We know of counterfeit and fantasy metal tokens but I know of no cardboard counterfeit or fantasy cardboard tokens. There may be some, but I have not heard of any, that I can remember.

I know a good number of collectors who include the cardboard tokens with their regular metal tokens - - I'm one of them. I believe they are as important to the whole of trade token collecting as paper money would be to metal money. To say one is authentic and the other not is to reject part of our history.

Below are just a few of the trade cards that I have. They are rare and I doubt that very few hoards of any of them will ever be found. Those who do not accept them as tokens are missing something in their collecting (my opinion).

THE OFFICE

PITTSBURG CAMP, ARIZONA ----- , the town that never was.

by John A. Staggs
#110

At the extreme north east edge of the Chiricahua Mountains in Cochise County, Arizona, lies a small desert hill called Harris Mountain. About three times larger and wedged between Harris Mountain to the north, and the main Chiricahua range to the south, rises Davis Mountain.

In the mid 1870's and early 1880's, Curly Bill Brocious and his band of cutthroats used the long since deserted ghosttown of Galeyville, about three miles southeast of Davis Mountain, as their headquarters. Legand has it, that somewhere around the slopes of Davis Mountain, lays buried a vast treasure cached by members of the gang after ambushing a Mexican smuggler's pack train in Skeleton Canyon.

In a pleasant little basin recessed about midway along the eastern slope of Davis Mountain and overlooking the San Simon Valley, is the old Cochise mine. The mine was located back in the mid 1870's as a silver and lead mine. Like many of the prospects and mines of the California district, rich surface ores soon pinched out and countless workings in the district lay dormant for many years.

Because of the industrial revolution around the turn of the century, a dramatic increase in the use of copper took place. Copper, regarded by the early miners as almost worthless, now took the place of silver and gold as the new El Dorado. The red metal deposits lay hidden deep in the rugged mountains of the region and required large amounts of money just to bring the mines to production. Developement money was controlled by industrialists in the east.

In stepped the promoter. In spite of the flamboyant and many times down right fraudulant practices of the "pitch men", large amounts of eastern money invested in prospective copper mines in Arizona, gave the territory a tremendous boost on it's way toward statehood.

Late in1903, Harrison J, Clifford and seven months later, Henry E. Morgan ("A." in several documents), of Norton and Morgan Mercantile, Willcox, Arizona, pooled a dozen or more promising claims on Davis Mountain. The original Davis group, the old Cochise mine, the Treasury group and several other prospects were included in the deal. These men somehow convinced William C. Hagan of Pittsburg, Pennsylvania, Harry Alexander ("Henry F." in at least one document) of New York, New York, and Charles B. James, also of New York, and formed a corporation on December 4, 1903, in Willcox, Arizona. Officers were; Harry Alexander, president; William C. Hagan, vice president; and Charles B. James as secretary-treasurer.

The corporation was to be known as "Cochise Consolidated Copper Company", with headquarters in New York and mine headquarters in Willcox, Arizona. Article three of the incorporation papers, explained the general nature of the new business. Besides the several functions normally carried on by the C.C.C. Co., they also made provisions -------- " to do a general merchandise business", ------. The company store was to be called Hagan Mercantile Co.

Barely seven months later, Henry E. Morgan sold three claims to the corporation, necessitating a new corporation document to be made and filed on the 6th. of July, 1904, naming him as one of the directors of the company. Several other changes were made at this time, namely the head office was to be moved to Scranton, Pennsylvania and the mine office was to be relocated to Paradise, Arizona. William C. Hagan was treasurer of American Savings Co., of Pittsburgh, Penn., and may have persuaded the others in changing the home office to Scranton, where the company had it's main depository at the Traders National Bank. By 1905, the main office was again changed back to Pittsburgh, however the mine office was to remain at Paradise until the company went bankrupt in 1908.

No time was lost, and by late 1904, the mines on Davis Mountain were developing into an active little enterprise. The company employed fifty plus men, mostly Mexicans. Howard H. Douglas as consulting engineer, Harry Holburn, superientendent, and C.S. Hagan as mill superintendent.

Early in 1905, the company layed out a townsite just below the mines and called it Pittsburg. On the 10th of May, 1905, W.C. Hagan liesed the surface rights and water rights at the mines, from the corporation. Hagan wished to build the company store ----- " on the east slope of the Chiricauha Mountains, bordering the San Simon Valley". The agreement listed, ----- "Cochise Consolidated Copper Company, a corporation of the Territory of Arizona, party of the first part, and William C. Hagan, doing business as the Hagan Mercantile Company, of Cochise County, Arizona, party of the second part".

The Copper Handbook of 1906 reported, ----- " The mill is 62' x 100' and 45' high, and is to have one crusher, 3 sets of rolls, 3 elevators, 2 jigs and settling tanks. Water is supplied from two wells and is pumped into five, 6,000 gallon tanks, mill requiring about 2,500 gallons daily. The property seems to be vigorously managed and is considered promising."

By the end of 1906 things were to change, causing the company to shut down temporarily. The high zinc content of the ore now being encountered, made smelting unprofitable. To make things worse, the water supply no longer was adaquate for concentrating. In January, 1907, the company again started operations, but never recovered their setback. This time the company installed Sutton dry concentrators. The dust must have been horrendous. Hugh clouds of dust hovering over Davis Mountain are still a childhood memory of one of the local old timers. The old man is 91 but still has a sharp mind. The Copper Handbook of 1907 lists Pittsburg as an ------ " unoccupied town."

Even with the new dry concentrators, the company was loosing money daily and by January, 1908, four separate judgments were

filed against the company. 1. C.B. James vs. Cochise Consolidated Copper Company - Jan. 10, 1908 - $2738.23. 2. W.C. Hagan vs. Cochise Consolidated Copper Company - Jan. 9, 1908 - $10286.90. 3. Hagan Mercantile Company vs. Cochise Consolidated Company - Jan. 9, 1908, - $13650.00. 4. A.B. James vs. Cochise Consolidated Copper Company - Jan. 10,1908, - $5088.46.

The company was given six months to redeem the property after the sheriff's sale but failed. For some unexplained reason, the judge set aside the first sale and the property was sold again in Jan., 1909, to the Gibson Abstract Company.

Thus brought to an end to the Cochise Consolidated Copper Company and with it the Hagan Mercantile Company. The company must have issued these alluminum tokens sometime between mid 1905 and early 1908.

Since Harry Alexander was scheduled to be Postmaster of Pittsburg in 1906 and later the order recinded, Pittsburg Camp existed in name only, occupied by a few miners and the company store.

## WANTED WYOMING

The lots listed below are for trade. Wyoming tokens have first priority. Idaho, Utah and Western Nebraska have second priority. Cash bids will be considered with ATCO rules applying.

Note: WYOMING STATE PRISON TOKENS are no longer being used at the Wyoming Penitentiary because of counterfeiting. Inmate transactions will be carried out on paper forms and tokens will no longer be used. I was able to obtain a few uncirculated sets that were only used for 1½ years. The set consists of six tokens with the denomination and W.S.P. on both the obverse and reverse sides. The $5 (Gray-37.5 mm), $1 (Orange-37.5mm), 25¢ (White-24mm), 10¢ (Brown-17mm), 5¢ (21mm-Beige) and 1¢ (Blue-29mm). I will trade or sell three of the sets to the three best offers. ## TOKENS, MIRRORS, ETC.

I am a serious collector in the following categories and I am willing and able to pay TOP MARKET PRICES for these items. My primary interest is in building a fine collection and I've been buying alot of nice pieces ... so I must be doing something right. Please write or call me if you have something that you think might interest me. I also have a substantial trading stock ... but of course I prefer to purchase outright.

ALASKA TOKENS - cataloguing $50 and up in Benice. Will pay $3,500 for the first McCarthy Alaska gold nugget token offered to me (cats $500). Paying $3,000 for the first Willis & Welch Chatanika Alaska shellcard offered to me (cats $750).

TERRITORIAL TOKENS - Good fors from Wyoming Terr (W.T.), Dakota Terr (D.T.), Arizona Terr (A.T.), Montana Terr (M.T.), Washington Terr (W.T.), and some Okla and Indian Terr (O.T. and I.T.) tokens. Paying $500 and up for most D.T., M.T., and W.T. tokens (except Carter, Camp Brown, FJD, Ward, Wanless and McCormick).

TEXAS PICTORIAL TOKENS - Will pay TOP DOLLAR for brass or white metal Heidemann-struck pictorials depicting ELEPHANTS, steers, horses, lady's leg, buildings, etc. Paying $325 and up for Texas pictorials (brass or white metal) depicting ELEPHANTS.

WESTERN STATES' GOOD-FOR MIRRORS - with pictures of the proprietor, fancy women or children on them. Paying $125 and MUCH MORE, depending upon the state and the mirror ... Colorado on West.

NEW MEXICO TOKENS - nice old good-fors. Any and all except the most common. There are many N.M. towns worth $100++ to me.

NEVADA TOKENS - nice old brass, aluminum or white metal good-fors. No modern gaming tokens. There are some towns worth several hundred dollars to me and quite a few worth $50 to $100++ to me. Many are "dug" so don't worry about condition ... I want 'em.

POST TRADER and WESTERN STATES' MILITARY - any old good-for saying "Trader" or "Post Trader". Also, old military tokens from Colorado on West.

SALOONS and INTERESTING OLD MAVERICKS - Paying top dollar for attributed or maverick saloons and ornate or pictorial mavericks depicting steers, burros, ELEPHANTS, horses, roosters, etc. I also collect the old novelty tokens that are Good for a (screw pictured) or Prize for the Largest (rooster pictured).

LETTERS TO THE EDITOR:

Dear Bill: Just received my copy of ATCO, April Issue (may have gotten in my box anytime after Saturday the 23rd of March, since I don't pick up mail every day) and I don't see why anyone should be upset about your going bulk mail. Once you got the proper way of mailing straightened out, it will work well. And, if there was a delay so what, unless issues are late by a month, or else the schedule just falls apart as TAMS Journal did not so long ago. I would rather see dues kept down and the extra money for 1st class mail go into some useful aspects rather than to Uncle Sam.

About the gripes, you'll always get them so don't worry about them. I can't understand why anyone should complaint that an issue is too big. BS - who ever wrote that is a nut. I would never complain about having to "sift through" all those extra pages. What I do complain about - and you have no control over this - is that so many people who submit "camera ready" copy which is typed with a worn ribbon, dirty type, etc. I would also include most of the dot printer computor printouts which are used as "camera ready". If people would only use a good conventional type face that is clean and readily readable.

Also, as I wrote you once before, I find the ads very useful in my research into Ohio tokens. If I don't have or can't get a particular token, the next best thing is to get a reference to it - and the more complete the ad description, the better. I find the ads equally useful in connection with Ohio tokens and all mavericks.

I am in the process of preparing a new revised edition of the Index to the TAMS-listed mavericks. I hope to put the index on a computor disk and print the index using a letter quality printer. My plans should be finalized in the near future.

Well, I've rambled enough for now. Keep up the good work. Incidentally, when you see BINKY tell him that if he is ever in Westerville to look me up - I'm in the phone book.

Best, SAM RUGGERI

(Editor's Note: Thanks, Sam, I needed that. From the reports that I'm getting, so far, delivery of ATCO this month has been almost as good as first class mail. Had reports from Missouri and Texas (who are usually the last to get ATCO, even with first class mail) that they had their issues four days after we mailed them the 22nd. There will probably be a goof up or two because some post office delays sorting ATCO, but that won't be our fault. We did everything that the Post Office suggested to get better delivery.)

Dear Bill: Enclosed is my renewal check and a $5.00 donation for your new typewritter. I have read and reread every issue of ATCO that I have received. I enjoy them all, the lists, the articles, the gripes (even the petty ones) and BINKY. I hope the contents will never be sacrificed for a slicker look.

Bob Hayes

(Editors Note: Thanks Bob. We have no intention of changing ATCO for a slicker looking publication, you can be assured.)

Dear Bill: I enjoyed your article on cardboard tokens and I agree. However, I guess if a guy is a purest, that is his business. I myself like cardboard tokens and plastic tokens in the ol token cabinet. It was interesting to me to see those coupon books sit there and be passed up by token collectors when on Sunday morning a stamp collector dropped in and purchased every one at the show I attended.

Also, I think your arguments can also be voiced for collecting dies. One of the reasons that we collect is the historical knowledge. I have a nice Military die from Idaho that no token has been found from, and it really serves the same need as if I had the token. As long as tokens are worth money they will be threatened with the possible counterfeit, whether we have dies or not.

Ken Ballard.

(Editor's Note: Thanks for the comments Ken.)

LETTERS TO THE EDITOR:

Dear Bill: To keep you informed as requested - ATCO ARRIVED APRIL 5TH. NOT BAD!

Rodger E. Hershey.

(Editor's Note - Thanks Rodger. Have received other reports and our new way of packing seems to be working. Reports from Texas, Missouri and other states show that most got their ATCO before the 1st of the month. Other states are slow due to processing in the state post office where they arrive.)

Dear Bill: Enclosed is a check for twenty dollars. Dues plus a little extra for postage. I am very please with ATCO. I have dealt with several of the advertisers and have found them to be very fair. I would like to see more fixed price lists. I realize this is up to the advertiser and not the publication.

Just keep up the good work and let the gripes pass by.

Don Arbuckle

(Editor's Note: Thanks Don. The extra $5.00 will go into my typewriter fund along with some other such donations received. I received many most encouraging letters - to many to print - THANKS GUYS AND GALS)

Dear Bill:

For one I appreciate <u>all</u> your effort. I am most happy with ATCO, even if it arrives by pony express! I would draw a line at having "BINKY" hand deliver it. I believe you should have your new typewriter. Enclosed you will find a few <u>scarce?</u> Tenn. tokens - sell or trade them for $$ for your new typewriter.

Regards, Paul M. Dillingham

(Editor's Note: Thanks much Paul. They will be in my next bid sheet, separted from my items and marked for sale or trade with the funds going into my typewriter fund.

Dear Bill: I agree with the idea of a large November issue and you (and I) taking December off. I, for one, appreciate the job you're doing, and I don't want to lose you to over-work. Gumbare! (Hang in there) (Prounounced Goom Bah Ray).

Lastly (?), so many dealers put "reserve Right To Refuse Any/All Bids", why don't you make that one of the mail Bid Rules?

Bob Ziegler

(Editor's Note: Thanks Bob. Your idea of making "Reserve The Right To Refuse Bids, etc." was supposed to have been brought up at the last ATCO MEET. I forgot. We'll do it this year).

Dear Bill: Here is my $15.00 dues plus $7.50 toward your typewriter. Keep up the good work - and try to get someone to come up with a Maverick book. I've got several hundred of them.

John H. Cooper

(Editor's Note: Thanks John for the donation. We've recieved several of them now and our typewriter fund is growing. And, a maverick book is already in the works. We'll be reporting on it as it progresses.

Dear Bill, April 8, 1985

I feel I must take issue with the terminology used in your article in the April issue of ATCO.
While I fully agree that the items you tout are indeed very important to the evolution of tokens, and an integral part of our hobby, they are not "Trade Cards!"
I am not sure there is a "proper" name for these "chits" or "cardboard tokens," but Trade Cards are an entirely different ilk! Trade cards are largely 19th Century issues that approximate our present day business cards. They were much larger, quite colorful, and likely distributed with a purchase! They more resemble greeting cards, and were not necessarily, if ever, denominational.
I have collected both trade cards and cardboard tokens for many years, and as a deltiologist as well as an exonumist, I can assure you that trade cards are of the post card family, as cardboard tokens are of the good-for variety!
Barr's Post Card News recently printed a supplement to their very fine publication that provided many paper collectibles definitions. Unfortunately, I can't find my copy and cannot quote their definition of "Trade Cards," but it is an entirely different field!

Best Regards,

Bill Massey

(Editor's Note: I stand corrected, Bill. Let's just call them cardboard trade tokens to differentiate from metal trade tokens. That should cause no problems that I can see.)

* * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * *

Dear Bill: I enjoy the publication in spite of the references to that silly renegade, BINKY. Was he your invention, the Paul Bunyan of tokens.

William H. Lonney, Jr.

(Editor's Note: Honest Bill, Binky is real and not my invention. He is a member of ATCO and from the western states. And, he is mean. I almost hated to put your name to your letter. He'll be at the ATCO meet in St. Louis.

NEWS ITEM

Scrip notes and token coins of the early Mormon pioneering store of Zions Co-Operative Mercantile Institution (ZCMI) were sold by local auctioneer, S. F. Truzo, at 12:30 p.m. on Saturday, April 6, 1985, in the fourth floor auditorium of the Salt Lake City downtown ZCMI store.

The 55 mixed and sometimes framed lots sold by the single piece or up to 20 coin groups. These co-operative archive items were released for sale to collectors when it became apparent that progressive deterioration was becoming a factor, and it appeared that the public could better care for them. Registration by the purchase of a $10.00 gift certificate with the word 'AUCTION' stamped on the reverse caused collectors much joy as many did not use them against purchases at the auction but put them away as limited scrip notes.

Dating back to the early 1870's, some 51 scrip notes caused spirited bidding, with a 50 cent note, dated October 6, 1870, in VG-f condition with pin holes, sold for $525.00. A $10.00 note dated October 5, 1870, in VF, brought $675.00. A $5.00 draft (Watson Bros.) dated October 5, 1879, in Fine condition, sold for $675.00 also. A $3.00 "Due Bill" brought $1,800.00 together with a round of applause. Some 365 of the store's tokens issued during World War II sold in the $20 - $30 range. Consisting of 146 - $2.00 brass, 116 - $5.00 aluminum, 100 - $5.00 brass, 2 - 10¢ (one in brass, one in aluminum), these were overshadowed when an unknown $5.00 piece in what appeared to be circulated condition and struck in white metal sold for $155.00. Speculation as to a possible change in metal due to the War effort and restriction on brass was bandied around, but questions put to company officials revealed no knowledge as to origin as books on record were long gone, leaving a mystery!

Recent newspaper and television coverage surrounding authors Harry F. Campbell and Alvin Rust of Salt Lake City regarding their books on Utah Scrip and Tokens promises to attract the public when the A. N. A. holds its Mid-Winter Show in Salt Lake City in February, 1986.

Incidently, the 55 lots sold for $12,520.00.

## The W. M. Ritter Lumber Company

There is a book entitled **The Romance of Appalachian Hardwood**. The W. M. Ritter Lumber Company had this book published in 1940 to celebrate their Golden Anniversary, 1890-1940. The company was one of the larger lumber companies in the United States, with its headquarters located in Columbus, Ohio. According to their book the company hd numerous locations for their saw mills.

Scrip was issued to be used at the companies commissaries. Since the scrip had no city or state named on it, probably a safe assumption is that it was used at all the commissaries which were located in at least four states. One of these was located at Maben, West Virginia, where there was 25 miles of logging railroad and a double band saw mill. These operations were purchased by Georgia-Pacific in the 1960s.

The following are principal saw mills that were listed. Some of the locations are questionable as far as being the correct attributed state. The site location was confirmed by Ritter's book. Since the locations were taken from a map with no state boundaries, some are guessed at as to the state they were in: Pawpaw, KY; Hayesville, NC; Hazel Creek, NC; Nantahala, NC; Wilson Creek, NC; New River, TN; Tiger Creek, TN; Colleton, SC; Tillman, SC; Big Branch, VA; Blackey, VA; Leatherwood, VA; McClure, VA; Hurley, VA; Barrett, WV; Beaver, WV; Fitzpatrick, WV; Maben, WV; Mate Creek, WV; Dry Fork, WV; Panther, WV; Gordon, WV; Davy, WV; Shannon Branch, WV; Brown's Creek, WV; and at the site of W. M. Ritter's first saw mill, Oakdale, WV.

The following are known commissary sites of the company: Avondale, WV; Maben, WV; Tams, WV; Mouth of Crane Creek on Dry Fork in 1899 (WV); Beartown [on Dry Fork Creek (WV)] in 1900; Dugout, WV; Beckley, WV; Blackey, VA; McClure, VA; Hurley, VA; Fremont, VA; Proctor, NC; and Lower Elk, NC.

W. M. Ritter Logging Railroads

| Location | Miles of Track | Locomotives | Cars | Logging Engines | Gauge |
|---|---|---|---|---|---|
| Pawpaw, KY | 6 | 2 | 12 | 1 | narrow |
| Mortimer, NC | 15 | 3 | 40 | 1 | narrow |
| Saginaw, NC | 12 | 1 | 20 | none listed | gauge |
| Blackey, VA | 17 | 2 | 51 | 1 | narrow |
| Hurley, VA | 17 | 2 | 50 | 1 | narrow |
| Maben, WV | 5 | 5 | 45 | 2 | narrow |

According to "The National Lumbermans Assoc." in 1906, The W. M. Ritter Lumber Company is building two railroads - one a standard gauge, 8 miles, from Elizabethton, TN, to Hampton, TN, and a narrow gauge from the company's saw mill, up Tiger Creek (Tenn.) about 12 miles.

I would appreciate hearing from anyone with any additional information such as (1) other locations of saw mills, commissaries, logging railroads and any other items pertaining to the company; (2) where the information came from. All costs will be reimbursed.

My main reasons for the interest in the company are it was located in Tennessee, lumber related, issued scrip; and before the Great Smoky Mountains became a national park, the W. M. Ritter Lumber Company owned a large amount of acreage which was to eventually become one of the most beautiful and most often visited national parks in the United States. If there are any of you who haven't been there, by all means do go, and be sure to take the drive around Cades Cove. You will never regret it nor forget it!

# POTATO HARVEST

At one of my Indian Capitol Coin Club meetings I was offered a GORE token by one of the members. This became a valued addition to my Okla. Token Collection since it will be a new town listing in The Catalog of Oklahoma Tokens by Lloyd C. Walker.

Then just this last month one of my archaeology friends gave me an unidentified aluminum "coin". After cleaning it off I found it to be another ½ Bu. token. The same as the one I had from Gore, Okla. Three days later this same friend gave me a 5 Bu. token put out by the same PLUNKETT. These Eagle Lake, Tex. tokens were found in an old house site on the old river bank terrace in the Gore-Webbers Falls river bottoms of the Ark. River. I don't know just where the Gore token was found. Evidentally W.E. Plunkett used his Eagle Lake,Tex. tokens with his Gore, Okla tokens here in Okla.

These tokens reminded me of my early teen-age years when I earned extra money by working in the Ft. Gibson Bottom potato fields. Most of these fields belonged to the Fisher Brothers (3 in number) who used the old style milk bottle cardboard stoppers with different numbers and colors for the ½ Bu. 5 Bu, 10 Bu. or 20 Bu. values. I was then only interested in the 3 or 4 cents each ½ bu. was worth. I never did see any metallic tokens at that time. I now have two Aluminum Fisher Brs., Ft. Gibson, Okla. and one brass John Paris (Webbers Falls, Okla.) in my Okla. Collection.

About 20 or 25 pickers worked with each potato grader which was pulled by a single mule. Alternate rows were split by a plow drawn by two mules. Each picker had his row selected by the 1st come 1st served process. One of the best workers had to take the furrow taken by the potato grader. This guaranteed there was no slow up. The sunburned, nicked or cut, and the undersized potatoes were put into the new furrow for the fall crop. The splitting of the remaining alternate rows covered these newly aligned potatoes. and these alternate furrows of "seed" (aligned) potatoes were covered by a final harrowing of the field. Sometimes there was enough summer and fall rains to make a very small fall crop.

For each ½ Bu. wire basket of potatoes a picker was given a ½ Bu. token by the potato checker at the grader. Later on this checker would call for a trade-in of the lower number value tokens for an appropriate higher number. At the end of the day one would cash in his tokens at the Fisher Car or at the local Ft.Gibson bank. The only time I ever received cash for each unit of harvested potatoes was when I worked for Sid Garrett who was the president of the Farmers First National Bank of Ft. Gibson. It was 5¢ per ½ Bu or 50¢ per sack of scrapped potatoes.

Before the end of the mid 20's the Ft. Gibson potato farmers either quit or went bankrupt. The earlier Texas crop followed by the superior Idaho crop destroyed the demand for the intermediate Okla. crop. Also after 1929 we had a <u>real</u> depression. Now those ½ Bushel wire potato baskets are antiques and cost $10.00 to $15.00 per basket.

PLEASE SEND ATTRIBUTIONS TO: DICK WORTHINGTON, 2511 LAURA LANE, PEARLAND TEXAS 77581

The March mail bid was very succesful, we had 20 bidders who paid more money but bid on less tokens. 17 lots had no bids. I made a few mistakes last month but please bear with me. Some prices received were

1. 3.00 9. 3.75 19. 10.75 31. 7.55
2. 4.00 13. 5.50 20. 4.00 34. 4.86
4. 5.00 17. 15.00 25. 6.00 42. 6.25

The balance received bids of less than $2.50 each. I have received tokens from only 5 people Ford Knight, Ore Vacketta, Hank Reidling, Phil Klabel & Ed Linden. Thanks to these guys, but where is everyone else. This months bid sheet is smaller due to absence of material. Please send TOKENS and BIDS to Ron Haberman 4311 Pasadena, Boise, ID 83705. I enjoy the letters that I receive even if I don't have time to answer very many of them.

# GLASS SHOPPE COINS

4325 East Broadway
Tucson, Arizona 85711

Telephone (602) 323-8811

WE BUY ARIZONA TOKENS & SCRIP

UNLISTED TOWNS: for a nice token from an unlisted town we can pay $400.00 and up,must be self identified with city and state.If the town is given and the business agrees with the directory listing it can still be worth $400.00 and up.At the above prices we are talking about pre 1936 brass,aluminum,or white metal "good fors" not modern pieces.

UNLISTED ARIZONA TERRITORY TOKENS: we can pay $600.00 and up for self identified "A.T." or "Arizona Ty." tokens in nice condition if the business or town is unlisted and at least $500.00 and up if it is an unlisted denomination of a previous listing.Tokens with problems(holed,corroded,or hammered) are still valuable but have to be judged by appearance.

UNLISTED ARIZONA TERRITORY SCRIP: Arizona Territory scrip that is unlisted can be worth $1,000.00 and up in decent condition.By definition Arizona Territory scrip is self identified as "A.T.","Arizona Ty.",or "Arizona Territory" ,resembles fractional currency or obsolete notes,and has a denominational value of "good for 5¢" or "five dollars in trade" or some value associated with a coin.This leaves out checks,tickets,coupons and items merely dated before statehood.

ARIZONA MAVERICKS: we are happy to help you research your old token found in Arizona,we need a rubbing and the location where discovered.

ARIZONA BUSINESS DIRECTORIES:We are missing only a few years in the 1890's to have a run from 1870's to 1940's,anyone who has 1890's and wants to work out a deal let me know.

STORE HOURS: 8:30 to 5:30 Monday through Saturday,Tucson time,we are always ready to talk about Arizona tokens,over 500 in stock for sale or trade.

## TOKENS, MIRRORS, ETC.

I am a serious collector in the following categories and I am willing and able to pay TOP MARKET PRICES for these items. My primary interest is in building a fine collection and I've been buying alot of nice pieces ... so I must be doing something right. Please write or call me if you have something that you think might interest me. I also have a substantial trading stock ... but of course I prefer to purchase outright.

ALASKA TOKENS - cataloguing $50 and up in Benice. Will pay $3,500 for the first McCarthy Alaska gold nugget token offered to me (cats $500). Paying $3,000 for the first Willis & Welch Chatanika Alaska shellcard offered to me (cats $750).

TERRITORIAL TOKENS - Good fors from Wyoming Terr (W.T.), Dakota Terr (D.T.), Arizona Terr (A.T.), Montana Terr (M.T.), Washington Terr (W.T.), and some Okla and Indian Terr (O.T. and I.T.) tokens. Paying $500 and up for most D.T., M.T., and W.T. tokens (except Carter, Camp Brown, FJD, Ward, Wanless and McCormick).

TEXAS PICTORIAL TOKENS - Will pay TOP DOLLAR for brass or white metal Heidemann-struck pictorials depicting ELEPHANTS, steers, horses, lady's leg, buildings, etc. PAYING $750.00 FOR NICE WHITE METAL OR BRASS CANADIAN OR MOBEETIE ELEPHANT PICTORIAL TOKENS.

WESTERN STATES' GOOD-FOR MIRRORS - with pictures of the proprietor, fancy women or children on them. Paying $125 and MUCH MORE, depending upon the state and the mirror ... Colorado on West.

NEW MEXICO TOKENS - nice old good-fors. Any and all except the most common. There are many N.M. towns worth $100++ to me.

NEVADA TOKENS - nice old brass, aluminum or white metal good-fors. No modern gaming tokens. There are some towns worth several hundred dollars to me and quite a few worth $50 to $100++ to me. Many are "dug" so don't worry about condition ... I want 'em.

POST TRADER and WESTERN STATES' MILITARY - any old good-for saying "Trader" or "Post Trader". Also, old military tokens from Colorado on West.

SALOONS and INTERESTING OLD MAVERICKS - Paying top dollar for attributed or maverick saloons and ornate or pictorial mavericks depicting steers, burros, ELEPHANTS, horses, roosters, etc. I also collect the old novelty tokens that are Good for a (screw pictured) or Prize for the Largest (rooster pictured).

DUE TO THE DISCOVERY BY A BOTTLE DIGGER OF A TOKEN COIN HOARD OF SOME 20,000 PIECES, THE RARITY AND PRICING OF UTAH TOKENS HAS CHANGED GREATLY. SALES OF UTAH TOKEN ITEMS IN THE PAST YEAR HAVE REACHED INTO THE HUNDREDS OF DOLLARS, MAKING UTAH EXONUMIA A 'HOT ITEM'! THIS THIRD EDITION IS DESIGNED TO BRING THE COLLECTOR/INVESTOR UP-TO-DATE.

THE ESTIMATED 800 + PAGES WILL CONTAIN OVER 7,000 ITEMS FROM SOME 220 PAST AND PRESENT UTAH COMMUNITIES. THIS BOOK CONTAINS HISTORICAL FACTS OF EARLY MORMON MONIES TOGETHER WITH THE MANY SALOONS OF THE 'OLD WEST'. PICTURES, RUBBINGS, AND GRADES, ALONG WITH A RARITY AND PRICING GUIDE, HAVE BEEN RECORDED DURING THE ELEVEN YEARS THAT IT HAS TAKEN TO PRODUCE THIS 8½" x 11" SOFT COVER WORK.

FROM OUR LIBRARY EDITOR, JIM PARTRIDGE:

We have an addition to the library, donated by Paul J. Varner, ATCO LM38. This man continues to donate books. They are all new books with dust covers. The one just received "VIRGINIA TOKENS" by David E. Schenkman - a listing of over 2500 different tokens from Virginia that were used between 1830 - 1950's. Many thanks Paul!!!

(Editor's note: Paul also sent a check for $25.00 for my typewriter fund. Thanks again, Paul. And, while I'm mentioning it, about 15 collectors sent checks for $5.00 toward the typewriter fund, one sent a valuable token which will appear in my next auction. To all of you, many, many thanks!!!!)

A LOSS!!!

Dear Bill: The primary purpose of this letter is to inform you and, thus, the ATCO membership of the death on March 4th of William A. Kelly, ATCO 277, of Lufkin, Texas. Bill was a fine gentleman who regularly attended our local collectors get-togethers. He died at the age of 67 after an extended bout with lung cancer.

His dauther and her family have entrusted me with disposing of Bill's token collection. I have enclosed the first two pages of mail bid sales as the first effort toward that end.

I intend to send an ad per month until all the tokens are sold. All proceeds will go to the heirs to help pay off the considerable medical bills left behind.

Sincerely,

JOHN H. RIBBE, 912 BOB WHITE, BRYAN, TEXAS 77802

Rubbings made by Rubber Roller and Carbon paper----Les. Hill a

To make the coin holder use a section of cardboard taken from the back of a writing pad as this is the right width at 8½" and the best thickness. Cut 3 sections 8½" x 3" and hinge these together with tape. With these 3 pieces of cardboard held together, thumbtack them to a piece of wood as a backing board and then drill the hole through all sections. As coins or tokens vary in size it will be found best to make 3 or 4 of these coin holders, with holes 1", 1½", 2" and 2½". If a small token is rubbed in a hole too large the paper will stick to the backing tape around the token, so 3 or 4 sizes are best. Use a very sharp carpenters expansive wood bit and drill carefully so as not to tear the cardboard. A piece of 2" masking tape can be placed under the bottom hole, or use Johnson & Johnson Adhesive tape 2" wide.

A roller can be purchased at most Paint & Paper stores, which is meant for rolling the joints of wallpaper; a 1" roller is satisfactory. As these are made of plastic they will need rubber placed on the rolling surface. A section of 1¾" bicycle inner tubing will serve this purpose nicely. If there is a seam on the outside of the tubing, turn it inside out. Use a section of tubing slightly wider than the roller so that it can be trimmed neatly after being placed on the roller.

Naturally a good home made roller is best if you are handy with tools and have access to the right equipment needed. The consistency of the rubber is important, and a good section from a sturdy compressed air hose seems best. Use a ¼" inside diametre hose section which would be about 1" outside diametre. A solid core will be needed with 2 holes tapped and threaded for the bolts which are inserted, then cut off to provide spindles for the roller. In time a simpler method will likely be devised; for now the wall paper roller appears the simplest.

Onion skin is the best light paper that we have found so far, but it is not the final answer as it is too glassy and does not retain the carbon too well. The carbon should be a black pencil carbon. We used Atlas red-back black pencil carbon paper for many of the illustrations in the 1980 B.C. Trade Token book with satisfactory results. Cut your carbon paper and onion skin to 8½" x 2½"; this can easily be done by folding the sheets twice and then cutting with a sharp knife.

This method of making rubbings is quite simple but to get good results considerable patience is involved. Rubbings should be photo-copied prior to mailing or handling too much as some of the carbon dusts off if agitated.

-THE THRILLS OF A TOKEN COLLECTOR- Ralph R.Burry,F.C.N.R.S.

Many times when a collector gets a new token in his collection he likes to know how and when it was used.I have had in my possesion a set of tokens from Evansville,Indiana as shown below and I often wondered where they were used,but I never found out.Last week on April 21st I was at a Flea Market out here in Cloverdale,British Columbia and I saw a pile of old checks on a dealers table and I noticed they were old and were checks owned by the House of Crane and I noticed this company was the distributor of the Tobacco products.At one time cigarettes were not known and about all the smoking was either Cigars or pipes.

I notice that the Tokens are from Evansville,Indiana,but the checks are from Indianapolis,Indiana so maybe they had tokens used in many other towns and cities,who knows.You can see the company logo on the reverse of the tokens and also on the checks,so this must be the same company.

The tokens are made of Aluminium and are different shapes.

AND SOME OF YOU COLLECTORS THOUGHT THAT COLLECTING MANHOLE-COVERS WAS JUST A BIG JOKE ON THE PART OF SOME OF THE OTHER COLLECTORS. THE FOLLOWING IS FROM THE LOS ANGELES TIMES AND SUBMITTED BY JOHN HAMILTON III.

# Protecting the Jewelry of the Streets

## Authority on Heavy Topic Wins Manhole-Cover Battle

KEN LUBAS / Los Angeles Times

Mimi Melnick uses whisk broom to clean a square manhole cover. At left are three of the more traditional round types found on the streets throughout Los Angeles, each with its own distinctive design. Melnick has won a battle to preserve the manhole covers. About 15 vintage manhole covers have been gathered to put on display at the Heritage Square historic park. The average manhole cover weighs 250 to 300 pounds, Melnick says.

By DAVE LARSEN,
*Times Staff Writer*

No wonder Mimi Melnick looks so healthy. She has all that iron in her blood.

Iron—and indeed all metals—have been the framework of her family tree. Her great-grandfather was a scrap metal dealer, her father owned a fireplace fixture shop. The decor of her Los Angeles home is a symphony of pitchforks, flatiron stands, even a fireplace screen fashioned of beer can pop tabs.

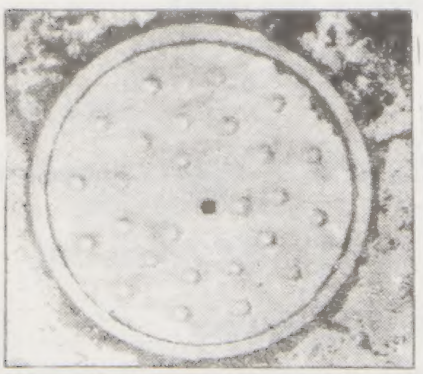

Perhaps it figured, then, that Melnick would become an authority on—are you ready?—manhole covers.

**Wrote Definitive Book**

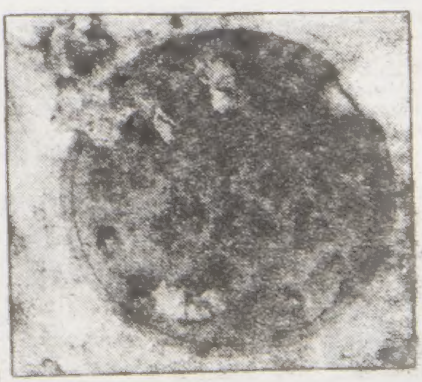

To her they are the jewelry of the streets. Although it never made the best-seller charts, she wrote a definitive book on the subject. She gives slide presentations to groups.

And now, as something of a culmination of her magnificent obsession, she has persuaded the city and three organizations to contribute about 15 vintage manhole covers from local streets, to preserve them.

In a ceremony at 10 a.m. Thursday at Heritage Square, where the era of 1875-1915 in Los Angeles is being re-created on the banks of the Arroyo Seco, the covers will be accepted for current display and possible future installation in the historical park's cobblestone roads.

HERE ARE JUST A FEW EXCERPTS ABOUT MANHOLE-COVER COLLECTING. THE ARTICLE WAS TO LONG TO PRINT ALL OF IT, BUT WHAT WE HAVE TAKEN WILL HELP YOU BE BETTER MANHOLE-COVER COLLECTORS!

Sharon Shaw, executive director, said the lids will for now be displayed on easels, along with information on each.

"Designed by anonymous engineers and foundrymen, manhole covers exhibit a surprising multitude of patterns," Melnick once wrote. "Surfaces dance in countless unique formations of incised lines; they bristle with knobs and ridges and churn with clusters of circles, crosses, and stars."

**In Bad Neighborhoods**

"Some of the best manhole covers are in some of the worst neighborhoods," Melnick said. "But we were never bothered. I think the winos thought we were the ones who needed help."

It was in such an area that she came across her most elderly find, two covers made between 1882 and 1889, on the brick surface of an alley whose location she doesn't wish to disclose lest they be stolen.

It turns out that the biggest antique store of them all may be found beneath your tires and shoes.

**Round Openings**

There are two reasons why most street lids are round: Such a shape is easier to machine accurately, and the cover won't fall into the hole.

The average round manhole cover, according to Melnick, must be at least 22 inches, to permit entrance by a worker into the opening.

Some of the fixtures are doughnuts, that is, either the center can be lifted out or, if equipment is to be moved in, the entire unit can be removed.

"Handhold covers, which are smaller, are lifted to permit a hand to reach inside and gain access to valves and meter boxes," Melnick said.

Beneath the manhole covers is everything from telephone, gas, sewage and water lines to tanks and pipes that carry beer, gasoline and printers' ink.

**New Industry Born**

Thus was born a new industry, enterprises with names such as Hercules Foundry and Llewellyn Iron Works, which prospered for a time and then largely gave way to economic realities such as the Great Depression and foreign competition. For instance, one of India's leading exports is manhole covers.

But the ghosts of the past live on —in the waffles, radials and other distinctive patterns of the old foundries. Whatever the aesthetics, however, there were prerequisites for all covers: They had to be skidproof and accommodate, first horses' hoofs and buggy wheels; then auto and bicycle tires, and always the shoes of pedestrians.

THERE, NOW YOU HAVE A LITTLE HISTORY OF THEM AND WHERE TO FIND THE BEST COVERS - HAPPY COLLECTING!

Editor's Note: Being that this issue is one of the smallest that we have put out in some time I thought I'd add a little article that I know will just greatly interest you all. HA!

Actually, I had to add something to make the pages come out and while I have some other good articles, I've had this one prepared for some time.

If, by chance, that Monday's mail has some ads you will not see this article. Monday is when we are supposed to go to the printers at 8AM.

I've had a busy first part of the month and still have labels to put on envelopes, sorting by state, etc.

I'll quit rambling on - just trying to fill in this space!

BINKY JUST CALLED AND SAID HELLO. HE IS ON THE ROAD AND HAS NOT HAD TIME TO WRITE.

TOKENS, MIRRORS, ETC.

I am a serious collector in the following categories and I am willing and able to pay TOP MARKET PRICES for these items. My primary interest is in building a fine collection and I've been buying alot of nice pieces ... so I must be doing something right. Please write or call me if you have something that you think might interest me. I also have a substantial trading stock ... but of course I prefer to purchase outright.

ALASKA TOKENS - cataloguing $50 and up in Benice. Will pay $3,500 for the first McCarthy Alaska gold nugget token offered to me (cats $500). Paying $3,000 for the first Willis & Welch Chatanika Alaska shellcard offered to me (cats $750).

TERRITORIAL TOKENS - Good fors from Wyoming Terr (W.T.), Dakota Terr (D.T.), Arizona Terr (A.T.), Montana Terr (M.T.), Washington Terr (W.T.), and some Okla and Indian Terr (O.T. and I.T.) tokens. Paying $500 and up for most D.T., M.T., and W.T. tokens (except Carter, Camp Brown, FJD, Ward, Wanless and McCormick).

TEXAS PICTORIAL TOKENS - Will pay TOP DOLLAR for brass or white metal Heidemann-struck pictorials depicting ELEPHANTS, steers, horses, lady's leg, buildings, etc. PAYING $250.00 FOR NICE WHITE METAL OR BRASS CANADIAN OR MOBEETIE ELEPHANT PICTORIAL TOKENS.

WESTERN STATES' GOOD-FOR MIRRORS - with pictures of the proprietor, fancy women or children on them. Paying $125 and MUCH MORE, depending upon the state and the mirror ... Colorado on West.

NEW MEXICO TOKENS - nice old good-fors. Any and all except the most common. There are many N.M. towns worth $100++ to me.

NEVADA TOKENS - nice old brass, aluminum or white metal good-fors. No modern gaming tokens. There are some towns worth several hundred dollars to me and quite a few worth $50 to $100++ to me. Many are "dug" so don't worry about condition ... I want 'em.

POST TRADER and WESTERN STATES' MILITARY - any old good-for saying "Trader" or "Post Trader". Also, old military tokens from Colorado on West.

SALOONS and INTERESTING OLD MAVERICKS - Paying top dollar for attributed or maverick saloons and ornate or pictorial mavericks depicting steers, burros, ELEPHANTS, horses, roosters, etc. I also collect the old novelty tokens that are Good for a (screw pictured) or Prize for the Largest (rooster pictured).

Jack Glass
P. O. Box 184
Fairfield, Iowa 52556

Dear Jack:

Received your letter today and was pleased to hear from you.

The way I understand the problem you have is as follows;

No. 1 You listed X# of tokens you have for trade.

No. 2 Someone offered you a trade for them.

You do not have to trade just because you got an offer. They are your tokens, you know what you paid for them and if you can't come out on a trade you shouldn't make the trade. If you can't trade ( or don't want to trade) you should let the other party know as soon as you can. You wouldn't want to tie up his (her) tokens no longer than necessary.

An example of the above is the trade offer you made me. I am willing to trade lot #25 (Keystone, IA) for your Ollie #300 and Stockport #102. I am unable to trade lot #24 for the other two you listed. If offer acceptable, just ship.

Good to hear from you and hope to hear from you soon.

Regards,
Travis Roberts

Dear Bill: I heard "Binky" was coming thru Claremore in September on his way to the St. Louis Meet. Please tell him "my dues" are paid up. I don't want him stopping in Claremore to collect!
John Litchenberg

(Editor's Note: Your in trouble now John - that will sound like a big rejection to Binky)

Bill: A possible idea for ATCO listings, ads, etc. It would help us readers/bidders if all those submitting acutions, advertisements, etc., would list all pices alphabetically by State/Province, etc. For the few foreign pieces - - which you may recall are my main target, put them at the end. Or, as an alternate arrangement, list by type: Store Cards, Tavern & such like.

You are doing a great job with ATCO - keep it up. Binky's visit to the St. Louis Meet will be worth it alone for many of us. Wish some of you would offer more foreign pieces. There are buyers out here!!!!

Regards, Dana Roberts.

(Editor's note: Thanks for the suggestions Dana. Let's see if they take)

BORING, ISN'T IT? No, I didn't make a mistake, it's just that it is hard to make up a small mail bid without enough tokens to finish the job. The March sale was fair but the April sale was very good in terms of money brought in and the number of bidders. If the members want this operation to continue I have to have some <u>TOKENS</u>! to work with.

I have recieved tokens from 4 people in the past month. Several of these people have contributed before. WHERE IS EVERYONE ELSE IN ATCO? DEALERS, YOU CAN HELP ALSO. Except for those that I talked to at the Denver meet last year I have heard from very few. You guys can do better.

ALSO, I will take consignments of tokens for sale through the ATCO pages for a 35% commission which will be your donation. No one but you and me will know whose tokens these are - these are or can be private transactions. Please send a self addressed stamped envelope along with the tokens you wish to sell on bid. Minimum bids can be placed on the tokens if you wish, but will expect these tokens to go for $10 or more.

If I don't get more tokens from you guys and gals I'm going to resign as ATCO Auction Editor and spend my time GOLD MINING in the Idaho mountains.

RON HABERMAN, ATCO AUCTION EDITOR.

(Editor's Note: I don't need to say anything more here, except that when you mention Gold Mining in the Idaho Mountains I can remember some beautiful summer days spent in a stream north of Idaho City panning for gold. That was the best Saturday relaxation I can remember - and I found gold too!!!)

LETTERS TO THE EDITOR:

Dear Bill - - I enjoyed the articles on manhole covers but now I found that the local Grand Forks Foundry (North Dakota) made manhole covers with their name on them. They started in 1885 to make parts for river boats. I remember some with Fargo Foundry on them too. Maybe we have a new North Dakota hobby - collecting manhole covers!

Dear Editor - Just a word to say that I think ATCO is a great publication, and you are doing a great job. I've only been collecting Texas tokens a couple of years and ATCO has been a great help to me since I can't get out much and look. One thing I would like to see are more fixed price lists. I've included my membership renewal and $5.00 for your typewriter. P.S. What is a Binky?

Ron Wise, Freeport, Texas

(Editor's Note: Thanks for the kind words Ron, but you are now in deep trouble. Binky is not a "what" but a person. I heard he was going to be in Texas next month and so I thought I'd put down your town name so he can look you up. I'd hire a body guard if I were you.)

YOUR EDITOR'S RAMBLINGS - - -

A member asked why I used a steam boat every time I mention the St. Louis Meet. I lived near St. Louis for about a year when my company transferred me there. I remember the steam ships at St. Louis.

Too, it brought back old memories from when I was a boy raised in Yankton, South Dakota. Yankton was the Territorial Capital of the Territory that covered South Dakota, North Dakota, Montana and Wyoming. Steam ships came all the way up from New Orleans picking up other supplies at St. Louis and other areas to bring up the Mississippi and then up the Missouri and all the way into Montana.

I think few of us consider that the river towns in the territory depended on this form of transporation for the supplies that they recieved.

However, this was one country that you did not want to get caught in in the winter. A steam ship caught in the territorial area during the winter was a sure goner. The ice would crush it to pieces. The Missouri river, if ever explored, would be found to be littered with old steam ships that did not make it back down the river in time.

Now, you know why I used the steam ship.

SEE YOU IN ST. LOUIS!

er JACK - THANKS for the attributions. Your ccc
emp tokens will list in the August ATCO. Been
trying to find Agnar Wahlbergs address. Hes
the worlds authority on ccc tokens. Lets
me it's identified & if not we locate
Wahlbergs address.
You run into any good Texas or New Mex.
I use know, I have quite a few traders.

LOT'S 1 - 114 ARE FROM A LEAD I HAVE BEEN PURSUING FOR WELL OVER 3 YEARS. A LADY IN MONTANA RAN A BOARDING HOUSE IN THE EARLY 1900's. ONE OF HER BOARDERS DIED AND THESE TOKENS WERE LEFT IN AN OLD TRUNK. NOTHING IN THE TRUNK WAS DATED AFTER 1915. FOR WHAT EVER IT'S WORTH, THAT IS THE STORY. HAVE FUN.

Dear Jack:

Sorry about the Carroll token. It sold for 3.79 - somewhat more than your bid. You were high until the last week!! Enclosed is $2 - wish I had an extra token to send instead.

The auction was not as good as I expected. It is interesting but I think I do better on Iowa tokens when they are mixed into other States....got a bunch more Iowa coming up in September. Maybe a few will interest you.

Thanks again,

Robert

Dear Jack:

Sorry about the Carroll token. It sold for 3.79 - somewhat more than your bid. You were high until the last week!! Enclosed is $2 - wish I had an extra token to send instead.

The auction was not as good as I expected. It is interesting but I think I do better on Iowa tokens when they are mixed into other States....got a bunch more Iowa coming up in September. Maybe a few will interest you.

Thanks again,

Robert

## TOKENS, MIRRORS, ETC.

I am a serious collector in the following categories and I am willing and able to pay TOP MARKET PRICES for these items. My primary interest is in building a fine collection and I've been buying alot of nice pieces ... so I must be doing something right. Please write or call me if you have something that you think might interest me. I also have a substantial trading stock ... but of course I prefer to purchase outright.

ALASKA TOKENS - cataloguing $50 and up in Benice. Will pay $3,500 for the first McCarthy Alaska gold nugget token offered to me (cats $500). Paying $3,000 for the first Willis & Welch Chatanika Alaska shellcard offered to me (cats $750).

TERRITORIAL TOKENS - Good fors from Wyoming Terr (W.T.), Dakota Terr (D.T.), Arizona Terr (A.T.), Montana Terr (M.T.), Washington Terr (W.T.), and some Okla and Indian Terr (O.T. and I.T.) tokens. Paying $500 and up for most D.T., M.T., and W.T. tokens (except Carter, Camp Brown, FJD, Ward, Wanless and McCormick).

TEXAS PICTORIAL TOKENS - Will pay TOP DOLLAR for brass or white metal Heidemann-struck pictorials depicting ELEPHANTS, steers, horses, lady's leg, buildings, etc. PAYING $250.00 FOR NICE WHITE METAL OR BRASS CANADIAN OR MOBEETIE ELEPHANT PICTORIAL TOKENS.

WESTERN STATES' GOOD-FOR MIRRORS - with pictures of the proprietor, fancy women or children on them. Paying $125 and MUCH MORE, depending upon the state and the mirror ... Colorado on West.

NEW MEXICO TOKENS - nice old good-fors. Any and all except the most common. There are many N.M. towns worth $100++ to me.

NEVADA TOKENS - nice old brass, aluminum or white metal good-fors. No modern gaming tokens. There are some towns worth several hundred dollars to me and quite a few worth $50 to $100++ to me. Many are "dug" so don't worry about condition ... I want 'em.

POST TRADER and WESTERN STATES' MILITARY - any old good-for saying "Trader" or "Post Trader". Also, old military tokens from Colorado on West.

SALOONS and INTERESTING OLD MAVERICKS - Paying top dollar for attributed or maverick saloons and ornate or pictorial mavericks depicting steers, burros, ELEPHANTS, horses, roosters, etc. I also collect the old novelty tokens that are Good for a (screw pictured) or Prize for the Largest (rooster pictured).

NOT ONLY WERE MANY OUTSTANDING INDIVIDUAL COUNTERSTAMPS ACQUIRED, BUT ON OCCASION GROUPS OR ENTIRE COLLECTIONS WERE ADDED. FOR EXAMPLE, RAY BYRNE'S COLLECTION WAS ACQUIRED - A MARVELOUS HOLDING WHICH INCLUDED THAT MOST FAMOUS OF COUNTERSTAMPED PIECES: THE 1857-S DOUBLE EAGLE WITH THE POLHEMUS DRUGGIST, SACRAMENTO, COUNTERSTAMPED ON THE REVERSE, A COIN WHICH MADE FRONT PAGE NEWS IN THE COIN WORLD YEARS AGO WHEN RAY BYRNE PAID $15,000 FOR IT.

THE ROY H. VAN ORMER COLLECTION HAS BEEN CONSIGNED TO AUCTIONEERS BOWERS AND MERENA, INC. FOR UNRESERVED PUBLIC AUCTION SALE. THE COLLECTION, WHICH WILL FORM AN IMPORTANT PART OF OUR SEPTEMBER AUCTION CATALOG, WILL BE DESCRIBED IN DETAIL, IMPORTANT PIECES WILL BE ILLUSTRATED, AND, WHEN KNOWN, HISTORICAL BACKGROUND WILL BE GIVEN. DR. GREGORY BRUNK, WHO IS PREPARING A MANUSCRIPT ON THE SUBJECT OF COUNTERSTAMPED COINS, HAS MADE HIS RESEARCH INFORMATION AVAILABLE FOR THE PROJECT. IT IS PROBABLE THAT MANY OF THE VAN ORMER COINS WILL BE ILLUSTRATED IN DR. BRUNK'S BOOK WHEN IT IS PUBLISHED. NUMEROUS OF THE VAN ORMER COINS ARE ALREADY ILLUSTRATED IN RUSS RULAU'S EXCELLENT SERIES OF MONOGRAPHS ON TOKENS AND STORE CARDS, ISSUED BY KRAUSE PUBLICATIONS AND RUSS RULAU HAS REQUESTED PERMISSION, WHICH HAS BEEN GRANTED, TO ILLUSTRATE ADDITIONAL VAN ORMER PIECES IN FUTURE REVISED EDITIONS. SO, HERE IS A COLLECTION - HERE ARE COINS - WHICH ARE AND WILL BE LANDMARKS AMONG COUNTERSTAMPED ISSUES.

AS A TRIBUTE TO ROY H. VAN ORMER'S COLLECTING EFFORTS, AND AS AN INTRODUCTION TO THE EXTRAORDINARY AUCTION OFFERING, A DETAILED DISCUSSION OF COUNTERSTAMPS, THEIR SIGNIFICANCE IN NUMISMATICS, AND OTHER INFORMATION

WILL BE FURNISHED IN THE CATALOGUE. ALL IN ALL, THE CATALOGUE PROMISES TO BE A PERMANENT REFERENCE FOR YEARS TO COME. NUMISMATISTS A GENERATION FROM NOW WILL WISTFULLY CONTEMPLATE THE OPPORTUNITIES THE VAN ORMER COLLECTION PRESENTED BACK IN 1985. NOW, AS THE CATALOGUE IS BEING READIED, YOU CAN PARTICIPATE. HERE IS AN OPPORTUNITY WHICH YOU WILL NOT WANT TO MISS.

THE CATALOGUE WILL CONTAIN MANY OTHER NUMISMATIC ITEMS AS WELL, INCLUDING THE UNIQUE 1870-S UNITED STATES HALF DIME, THE EXCEEDINGLY RARE 1922 HIGH RELIEF MATTE PROOF PEACE SILVER DOLLAR, A COMPREHENSIVE OFFERING OF U.S. DOINS FROM COLONIALS THROUGH COMMEMORATIVES, AND INCLUDING 1793 HALF CENTS AND CENTS LIBERTY SEATED PROOF SILVER, GOLD RARITIES, ETC. "And He'd Be Drivin' Down the Road, Lookin' at the New Idria and Sayin' Gee Whiz... and Then He Went and Sold It..." A Funny Story Told in Reno

I've just returned from one of the most collector-oriented and active token gatherings I've ever attended - the Reno-Sparks Nevada bottle and token show June 21-22nd. The token bourse was ably coordinated by ATCO member Jack Haddock, whose organizational abilities and dedication to our hobby results in always successful Las Vegas and Reno token gatherings.

There were literally dozens and dozens of active token buyers, sellers, and traders who attended. Among the many ATCO members who attended were Bill Wright, Jack Haddock, Fred Holabird, John Heleva, Sam Michael, Ron Zumwalt, Pete Richards, Martin Kenney, Dave Gunther, Ron Lerch, Noel LaDue, Alan V. Weinberg, Frank Roza, Dave and Phil Desmond, Bill Zarling, "Fritz" Rohrman, Pete Fuhrman , and many others.

I was startled to meet collector after serious collector at the show who, when asked, responded that they were not yet ATCO members! This would strongly indicate that knowledge of ATCO's existence is not as widespread as you'd think and that our growth potential is enormous. Frankly, I was flabbergasted to meet so many non-members who were serious "good-for" collectors.

While the bourse was extremely active with super material changing hands, the highlight of the trip was indisputably the social gathering at Frank and Rosalie Roza's Reno home. A gracious and warm home furnished with impressive antique gaming and musical furniture, those attending were regaled with stories of acquisitions, mistakes and triumphs. Good food, alot of laughs, and a valuable exchange of opinions and knowledge.

One of the most important aspects of the gathering at Frank and Rosalie's home was Jack Haddock's exhibit of dangerously deceptive Nevada tokens struck in old style on "dug" planchets. This threat has cost knowledgable veteran collectors (not to speak of beginners) thousands and thousands of dollars. I know collectors who have been "stung" with as many as 20 fakes in their collections, many of them obtained for $100+ or obtained for good tokens traded away. The source of these fakes is known. At this point nothing legally has been accomplished. This insidious Tonopah Nevada "source" is responsible for deceptive fakes from Utah, Arizona and California... as well as Nevada. These fakes have actually found their way into the reference lists and books, making them all the more dangerous and unfortunately lending them some legitimacy.

One major accomplishment of the show was the final preparation of and photography for the forthcoming (est 6 mos-1 yr) and eagerly awaited Nevada merchant token book by Jack Haddock, Frank Roza and Howard Herz.

All indications are that this book will be the premier token reference for any state's tokens. I can't wait.

And I can't wait for the next Las Vegas or Reno bottle and token show. Ya'll come.

## A RARE TWO-TOWN TOKEN FROM NEBRASKA

By Robert R. Cruise

William and Paul Johannes open a grocery store in the year of 1910 and operated it under the name of JOHANNES BROS. & CO. This store was located at 401 West 13th Street in Columbus, Nebraska.

In 1911 the brothers hired a young man by the name of Fred A. Weber to clerk in the store and in 1912 he was moved to MONROE, NEBRASKA to take charge of the business of the MONROE MERCANTILE CO., in which he owned a half interest with the Johannes brother retaining the other 50%, thus starting the business connection between the two towns which are a distance of 13 miles apart.

Mr. Weber careful management of the store in Monroe resulted in the growth of the trade and on the 19th of July 1915 he purchased the interests of his partners.

Since the Johannes brothers had sold their Columbus store sometime late in the year of 1914 the connection between the two towns was ended. The only reminder of this brief part of Nebraska history is a nice old aluminum trade token which can tell a story if one only follows and records their history.

HA, I'VE TAKEN A LOT OF KIDDING ABOUT THE MANHOLE COVER ARTICLES THAT HAVE APPEARED IN ATCO AND SOME OF YOU STILL THINK COLLECTING MANHOLE COVERS IS A BIG JOKE - - - - THEY WERE KIDDING ABOUT MANHOLES AROUND THE TURN OF THE CENTURY AND HERE IS AN OLD CARD TO PROVE IT. (Donated by one of our Canadian members)

---

WHY NEW MEMBERS ARE IMPORTANT — YOUR EDITOR

FIRST, AND FOREMOST, WITHOUT GROWTH WE WILL DIE!!!!

WITH GROWTH WE ALL GAIN. HAVE YOU EVER NOTICE A NEW COLLECTOR OF TRADE TOKENS? THE ENTHUSIASM THAT SOME OF US HAVE LOST. THE NEW COLLECTOR WILL GO OUT AND FIND TOKENS THAT WE WOULD NOT HAVE ACCESS TO. HIS GAIN IS OUR GAIN AS THESE NEW COLLECTORS FIND EXTRAS, IN MANY CASES, OF TOKENS WE CAN USE IN OUR COLLECTIONS. AND, ALL OF US HAVE SOME TRADING STOCK THAT THE NEW COLLECTOR NEEDS.

BY NOT ENCOURAGING NEW COLLECTORS HE WILL DIE. GIVEN SOME ENCOURAGEMENT (AND MAYBE A FEW FREE TOKENS FOR HIS COLLECTION) HE WILL GROW AND ADD TO THE STRENGTH OF OUR ORGANIZATION OF TOKEN COLLECTORS.

ANY NEW MEMBER NEEDS A "TEACHER" AND A HELPER, AN HONEST TEACHER AND HELPER. HE NEEDS SOMEONE WHO WILL HELP HIM WITH HIS COLLECTION. I HAVE SEEN SOME TERRIBLE THINGS HAPPEN TO NEW COLLECTORS - LIKE A NEW COLLECTOR WHO FOUND A TOWN NO ONE ELSE HAS AND YOU OFFER HIM TEN "common" TOKENS FOR IT. IS THAT HONEST? THAT NEW COLLECTOR WILL SOMEDAY FIND OUT WHAT YOU DID TO HIM, RIGHT?

TOO, A NEW COLLECTOR WHO JOINS ATCO, WILL LATER ADD OTHER NEW MEMBERS TO ATCO.

I THINK THE MAIN POINT I'M TRYING TO MAKE IS THAT WE NEED NEW MEMBERS TO GROW. WE NEED NEW MEMBERS SO YOU CAN GROW AND WE NEED NEW MEMBERS WHO HAVE BEEN FAIRLY DEALT WITH.

THESE NEW MEMBERS ARE THE FUTURE OF ATCO!

NOTES FROM YOUR EDITOR:

Here is a nice little and packed summer issue. I did not think it would be this big, but collector buying and selling it is much like the fever - once you got it, you got it.

Again, I wish to thank you guys and gals for the donation of tokens, bucks, etc. toward my typewritter - I'm only about $200.00 from it. I guess I'm about like the guy that goes down and looks at the car he'd like to own - he makes many visits, and then makes his decision to buy. I made my decision, I just like to go down and look at this beautiful machine knowing that soon I'll own it.

As stated on the front cover, there will be one more issue before the ATCO meet. We'll try and review the ATCO meet again with regard to dates, etc.

I don't know about your area, but here in South Dakota it is hot as heck.

There, I guess that is about all the chatter you'll want to hear.

HAPPY COLLECTING

One final thought. Binky called. He said he would be at the ATCO meet. He scheduled a truck load of water melons into St. Louis during the show. He said he might bring over a crate of them.

ILLINOIS TRADE

After collecting all Illinois trade tokens for the past 12 years, I've decided to focus on the three counties around Rockford, plus selected 19th century tokens (mostly store-cards). TOKENS, MIRRORS, ETC.

I am a serious collector in the following categories and I am willing and able to pay TOP MARKET PRICES for these items. My primary interest is in building a fine collection and I've been buying alot of nice pieces ... so I must be doing something right. Please write or call me if you have something that you think might interest me. I also have a substantial trading stock ... but of course I prefer to purchase outright.

ALASKA TOKENS - cataloguing $50 and up in Benice. Will pay $3,500 for the first McCarthy Alaska gold nugget token offered to me (cats $500). Paying $3,000 for the first Willis & Welch Chatanika Alaska shellcard offered to me (cats $750).

TERRITORIAL TOKENS - Good fors from Wyoming Terr (W.T.), Dakota Terr (D.T.), Arizona Terr (A.T.), Montana Terr (M.T.), Washington Terr (W.T.), and some Okla and Indian Terr (O.T. and I.T.) tokens. Paying $500 and up for most D.T., M.T., and W.T. tokens (except Carter, Camp Brown, FJD, Ward, Wanless and McCormick).

TEXAS PICTORIAL TOKENS - Will pay TOP DOLLAR for brass or white metal Heidemann-struck pictorials depicting ELEPHANTS, steers, horses, lady's leg, buildings, etc. PAYING $850.00 FOR NICE WHITE METAL OR BRASS CANADIAN OR MODEETIE ELEPHANT PICTORIAL TOKENS.

WESTERN STATES' GOOD-FOR MIRRORS - with pictures of the proprietor, fancy women or children on them. Paying $125 and MUCH MORE, depending upon the state and the mirror ... Colorado on West.

NEW MEXICO TOKENS - nice old good-fors. Any and all except the most common. There are many N.M. towns worth $100++ to me.

NEVADA TOKENS - nice old brass, aluminum or white metal good-fors. No modern gaming tokens. There are some towns worth several hundred dollars to me and quite a few worth $50 to $100++ to me. Many are "dug" so don't worry about condition ... I want 'em.

POST TRADER and WESTERN STATES' MILITARY - any old good-for saying "Trader" or "Post Trader". Also, old military tokens from Colorado on West.

SALOONS and INTERESTING OLD MAVERICKS - Paying top dollar for attributed or maverick saloons and ornate or pictorial mavericks depicting steers, burros, ELEPHANTS, horses, roosters, etc. I also collect the old novelty tokens that are Good for a (screw pictured) or Prize for the Largest (rooster pictured).

ALASKANA WANTED

While pre-statehood tokens have been my main collecting interest for many years, I am also interested in just about anything pertaining to the Alaska-Yukon-Pacific Exposition held in Seattle in 1909.

I have very little trading material other than Alaskan.

Please describe and price. Send for price list of more common items.

# THE FAMILY BEHIND THE TOKEN

by DAN MAYO

G. W. SHAFER

In the process of trying to build a Furnas County, Nebraska collection, one merchants tokens seemed to be very widespread and have numerous variants. This merchant was G. W. Shafer of Beaver City. With a collection of 14 different denominations and variants, I decided to do a little research on the family and their business.

George Washington Shafer was one of nine children born to Michael and Sarah Shafer of Richland Co., Ohio on May 7th, 1854. As with George, most of his five brothers were given names of well known persons of the time such as Abraham Lincoln and Ulysses Grant Shafer.

On November 9, 1881, George was united in marriage with Lizzie Canna of Falls City, Nebraska. To this marriage two children were born, one being named Michael C.. In 1886, George moved his family to a farm in Furnas Co., Nebraska. George's wife passed away later that same year and George was faced with the total responsibility of raising his two young children. George lost his father at about this same time and he brought his invalid mother and youngest brother to live with him near Beaver City.

George was a sucessful farmer and, in association with his son Michael, opened the firm of G. W. Shafer and Son in Beaver City in 1907. They began with general merchandise and slowly added new departments for dry goods, clothing and groceries.

George Shafer possessed endless energies and was full of public spirit, always promoting town, County and

State. He was County Commissioner for two terms and, in partnership with the late Senator George W. Norris of Nebraska, was also involved in a land development company and the Beaver City Mill.

When George passed away in 1935, Mike continued the business. Under Mike's capable management, the business flourished and expanded. Eventually branch stores were opened in the neighboring towns of Hollinger, Precept and Hendley. Mike also formed a truck line between St. Francis, Kansas and Omaha.

As with all small farming communities throughout the midwest, the post World War II period brought a rather sharp decline in community population. Beginning in 1940, the Shafer business started to contract in both branch stores and departments. The towns of Hollinger and Precept eventually became ghost towns while Hendley still possesses a very small population. In the main store at Beaver City, the grocery, clothing and furniture departments were dropped to form the dry goods and notions store that exists today.

When Michael C. passed away in 1958, the G. W. Shafer and Son business passed into its third generation of family ownership and management under George W. Shafer Jr.. George W. Jr. passed away in 1977 and his wife Mrs. Jean Shafer still operates and manages the Beaver City store. Hopefully one of their children, Michael, Steve or Meredith will provide this historic and dedicated business with a fourth generation of leadership.

While compiling this article, I asked many people about the business and it's owners. Many people still remembered the original G. W. Shafer and were generally well acquainted with the rest of the family down to the fourth generation. It was amazing and refreshing to hear of the generosity and to experience the friendship of the Shafers. Many still remembered with fondness the Saturday evening prize drawings at the Beaver City store, the free Thursday night picture shows at Hendley and the bags of free groceries that were delivered to those in need on Christmas and Thanksgiving.

I also found that an uncle of mine purchased a 1936 Ford from Mike Shafer around 1938 at a cost of $600. I was amazed to find out that my uncle paid for that car entirely with Shafer tokens. I found some of those tokens, Now - where is that car?

It is rare to find a token with so much history and integrity. The Shafer family and Beaver City should be rightfully proud of the heritage of G. W. Shafer and Son General Merchandise.

# SEPTEMBER ATCO BID

Gold mining has been pretty good. I received tokens from only one person since my last effort to secure business. I guess I will continue mining until I receive more tokens. This bid is composed of amusement tokens donated by Jack Glass. He wants to help Bill get his new typewriter. He attributed all of these and he claims according to Alpert that there some 4 to 5 dollar tokens here. I will expect to hear from many of you this fall with lots of donations. LETTERS TO THE EDITOR:

Dear Bill: I was down to Victor-Cripple Creek (Colorado) a few weeks ago and stopped by a junkyard but no tokens. The guy stated that someone was in just a few weeks before buying up old man hole covers. Bought all he had. I asked him what he looked like. The man said, "he was a big, ugly guy with mother tattooed on his right arm." We had better treat "BINKY" right because he has been busy pumping iron lifting those man hole covers. Maybe he'll bring his duplicates to the ATCO meet?

Bob Spencer.

(Editor's Note: Didn't know Binky was collecting man-hole covers.)

Dear Bill: Enclosed is my check for your typewriter fund. You are doing a fine job. Thought you'd want to know that I received my ATCO on July 29TH. Also, enclosed is a piece of evidence to let you know that I have the goods on Binky!! Have any other readers or members ever recognized him? Keep up the good work - the best to your and yours.

John C. Allred.

(Editor's Note: First thanks for the most generous check. Yes, only one other member has found the source of "Binky's" pictures. He is really more ugly than the pictures make him out though.)

Dear Bill: I would like to tip my hat to some of the token bidders out there. On my July Mail-Bid I sent out 12 packs of tokens on Monday, July 29th. When I returned from my vacation the following Monday (only one week later) there were already 9 check waiting for me in my box. The quick response-time says a lot for those bidding and buying tokens through mail bids. Thanks Guys!!!

Al Erickson

Dear Bill: My question regarding mail bids: What is the condition of a "dug token"? I've never been upset at the condition of a "dug token", but just what condition should be expected? Corroded to just readable, pitted or merely stained? I would suggest that when a token is listed as "dug", a condition rating of some sort, such as good, fine, etc. should also be given. Or, perhaps, a description such as, readable, poor, nice, pitted, etc. The use of "dug" only leaves the condition wide open for interpretation, which is not fair to either buyer and seller.

Regards, Terry Trantow

(Editor's Note: I agree with Terry - let's put something after "dug" that describes the condition of the token - O.K.?)

ear Jack:

had heard from Hosek and think his Iowa project is all ight. If he gets it underway, I will participate.

our raise of 40¢ was not enough to put you in the money on ny lot. It appears there are serious collectors out there or those Hickey Bros pieces! Anyway, I thank you...and ou still have time to re-consider once more.

est regards,

Bob

Letter Back on 9/13
Rollson Bros 40¢ per!

ear Jack:

lice to meet you in What Cheer. Maybe our paths will cross gain - and we'll have more of a visit.

hanks for the bids on the Hickey Bros. Unfortunately you are a bit low on every lot. You may want to re-consider. If not, no problem. People collect Hickey tokens regardless of State so there is more than usual competetion...it's up to you of course.

We just returned from Vancouver and Seattle so will not be going to St Louis. My wife wants to go to Indianapolis! Sometimes, token collecting comes in second place...

Best regards,

Bob

TOKENS, MIRRORS, ETC.

I am a serious collector in the following categories and I am willing and able to pay TOP MARKET PRICES for these items. My primary interest is in building a fine collection and I've been buying alot of nice pieces ... so I must be doing something right. Please write or call me if you have something that you think might interest me. I also have a substantial trading stock ... but of course I prefer to purchase outright.

ALASKA TOKENS - cataloguing $50 and up in Benice. Will pay $3,500 for the first McCarthy Alaska gold nugget token offered to me (cats $500). Paying $3,000 for the first Willis & Welch Chatanika Alaska shellcard offered to me (cats $750).

TERRITORIAL TOKENS - Good fors from Wyoming Terr (W.T.), Dakota Terr (D.T.), Arizona Terr (A.T.), Montana Terr (M.T.), Washington Terr (W.T.), and some Okla and Indian Terr (O.T. and I.T.) tokens. Paying $500 and up for most D.T., M.T., and W.T. tokens (except Carter, Camp Brown, FJD, Ward, Wanless and McCormick).

TEXAS PICTORIAL TOKENS - Will pay TOP DOLLAR for brass or white metal Heidemann-struck pictorials depicting ELEPHANTS, steers, horses, lady's leg, buildings, etc. PAYING $850.00 FOR NICE WHITE METAL OR BRASS CANADIAN OR MODEETIE ELEPHANT PICTORIAL TOKENS.

WESTERN STATES' GOOD-FOR MIRRORS - with pictures of the proprietor, fancy women or children on them. Paying $125 and MUCH MORE, depending upon the state and the mirror ... Colorado on West.

NEW MEXICO TOKENS - nice old good-fors. Any and all except the most common. There are many N.M. towns worth $100++ to me.

NEVADA TOKENS - nice old brass, aluminum or white metal good-fors. No modern gaming tokens. There are some towns worth several hundred dollars to me and quite a few worth $50 to $100++ to me. Many are "dug" so don't worry about condition ... I want 'em.

POST TRADER and WESTERN STATES' MILITARY - any old good-for saying "Trader" or "Post Trader". Also, old military tokens from Colorado on West.

SALOONS and INTERESTING OLD MAVERICKS - Paying top dollar for attributed or maverick saloons and ornate or pictorial mavericks depicting steers, burros, ELEPHANTS, horses, roosters, etc. I also collect the old novelty tokens that are Good for a (screw pictured) or Prize for the Largest (rooster pictured).

ALASKANA WANTED

While pre-statehood tokens have been my main collecting interest for many years, I am also interested in just about anything pertaining to the Alaska-Yukon-Pacific Exposition held in Seattle in 1909.

I have very little trading material other than Alaskan.

Please describe and price. Send for price list of more common items.

DEAR BILL: THERE ARE STILL PEOPLE WHO ARE NOT CHECKING AND DOUBLE-CHECKING THEIR BIDS!

WHEN A MISTAKE IS MADE ON THE LOT NUMBER AND A BID IS MADE ON A WRONG LOT IT CAN CAUSE ALL KINDS OF TROUBLE, NOT ONLY FOR THE BIDDER BUT FOR THE DEALER OR COLLECTOR WHO IS OFFERING THE TOKENS.

What for example happens when a collector bids on a token that he wants, at a high offer, and makes a mistake on the lot number. If you are like me, I throw the other bids away when I close the bids. I send the token to the person who bids and get it back in a few days with a statement that that is not the token I want. Now what do you do???? You can't go to the next successful bidder - you threw him away.

LET'S CHECK AND DOUBLE CHECK OUR BIDS.

John Cheramy Coins

(Editor's Note: Thanks, John. When such mistakes are made I think it is up to the person who made the bid, and the mistake, to honor the bid made!!!)

A HAPPENING: Along comes a collector whom you know who wants to look at your collection so you hand him your books of tokens. The collector goes through your collection with great interest, but after he leaves you find that two or three very rare tokens are missing from your collection. What do you do?

YOU REPORT IT TO THE ETHICS COMMITTEE SO THAT THEY CAN KEEP A RECORD OF SUCH HAPPENINGS - - IF SEVERAL REPORTS ARE REPORTED ON THE SAME PERSON THEN WE KNOW THAT SOMEONE IF NOT HONEST AND CAN REPORT SUCH TO THOSE WHO HAVE MISSED TOKENS.

IF SUCH HAS HAPPENED TO YOU WHY DON'T YOU MAKE A REPORT TO THE ETHICS COMMITTEE???

EDITOR'S NOTES:

I have tried to figure out which would be the best two months to combine. If I was to combine the November/December issue it would cause a problem because the issue would come out the end of October and you would then be looking at the 20th of December mailing for the January issue. That would cause problems with the heavy Xmas mail.

I think that it would be best to combine the December, 1985/January, 1986 issue which would then come out the 20th of November. This would give everyone a chance to do their buying before Xmas and before present buying time. The February issue would be mailed the 20th of January. Again, missing all the heavy mail which would cause late delivery of ATCO. (When I say be mailed the 20th of the month, that is approximate - could be 20th to the 22nd

Anyway, this give a little time for comment about the combined issue. Let me know what you think.

And, finally, it would give me a little rest during the Xmas season.

As Editor you quickly learn that you have little privacy. In the last month I've been woke up twice, gotten out of the shower three times. Had a dozen meals interrupted. Been bawled out four times. Need I go on?? I don't mind most of this except for someone to wake me up from a sound sleep. In other words, do not call after 10PM (MY TIME)!!!!

Enough of that - - - I wish to thank all those good collectors out there who donated to my typewriter!!! Hopefully, with this months bid closed I'll get my typewriter. I wished that I could have listed all of you but the number would have been to great - JUST THANKS!!!

ATCO 85

by Alan V. Weinberg

Surprise! The St. Louis ATCO show was a resounding success. I had been one of many pessimists, having voted for a return to Denver. But Chuck and Rosemary Littlefield pulled it off. A nice hotel conveniently close to the airport, most reasonable room rates and a carpeted, well lighted bourse room (no lamps needed). And a nice party to boot on Saturday night, hosted by the Littlefields. Well done!

Attendance was quite satisfactory with collectors coming all the way from NY (Joe Elrod) to Arizona (Mr. and Mrs. Sam Michael) to Minnesota (Dick Grinolds) to Alaska (Al Love) to Texas (Dick Werthington, John Byars) to Georgia (Bill Massey) to California (your author, Benj Fauver, Larry Elman).

There was Mr. & Mrs. George Hosek, John Shillinglaw, Mr. & Mrs. Bill Zarling, Gaylor Lipscomb, Jerry Schaeper, Joe Copeland, Dave Schenkman, Les Burzinski, Bob Reoh, Elijah Singley, Bob Williams, Arnold Winfield, Ralph and Virginia King, Mr. & Mrs. Lloyd Wagaman, Doris Wietrick, Bruce Smith, Mel Reiter, Ben Odesser, Frank Elam, Mr. & Mrs. William Waken, Dave Mullins, Dick Seipelt and too many others to mention.

Our editor Bill Clapper was unable to attend due to last minute, unforeseen circumstances...consequently, there was no board meeting, no formal attendance roster and , sadly, no formal new member solicitation program.

Sales and purchases were brisk and I can confidently diagnose the hobby as healthy with excellent growth potential.

I acquired a nice San Antonio White Elephant pictorial; J.L. Hargett a W.S.Fanshawe Ft. Meade D.T. Post Trader; Ray Mortimeyer more than a few unlisted Mo towns; Dave Schenkman a beautiful lot of hard rubber tokens; R.W. Law a lot of 4 ex. rare Louisiana lumbers; Travis Roberts a Dotsonville Tex token; Tom Robinson a unique white metal Ark Saloon (Tom's Ark token book is scheduled for release late this year). I daresay no attendees went away dissatisfied with their acquisitions.

I do have a critical observation in which others concurred. Only 3 of the 9 ATCO directors attended the show. There was no excuse for this. Many were within reasonable driving distance.

Secondly, 2 bourse tables were packed up early Sunday morning and the owners went home. Some people travelled a long distance and could only attend Sunday. It was not fair to them to walk in and find 2 bourses packed up and vacant. Many coin shows have restrictions against early departure, strictly enforced. Sunday WAS busy with many sales and purchases. Larry Elman and I, for instance, concluded a 4 figure token purchase at 5:15 PM Sunday!

To sum up...the show was successful and I know several bourse "dealers" who suggested that Chuck Littlefield handle next years show. Hear, hear!

SOME NOTES ON THE RARE ELBURZ NEVADA TRADE TOKEN
BY Fred N. Holabird, ANA, TAMS, ATCO

The Glazer Model Dairy token from Elburz, Nevada is one of the rarest and most sought Nevada tokens. The token comes from a remote area in Northeastern Nevada near Interstate 80, east of Elko.

According to the family, the Glazer token was made by George Mathias Glazer. George had taken over the dairy after his father Mathias died in 1907.

The Glazers were not new to the area. Mathias had passed through the undeveloped Elburz area in 1852 on his way from St. Louis to the California gold fields. The night that he camped near the junction of the North Fork and Humboldt rivers (near the future site of Elburz), Indians attacked and drove off two of his horses. Mathias tried his hand at business ventures in the mother lode area of California, then ventured eastward to the Comstock.

Mathias returned to the Elburz area in 1869 after completion of the trans-continental railroad. He purchased the land at Elburz and erected a "spacious" ranch house. Glazer developed the ranch into a fine cattle ranch, later adding dairy facilities.

As one of four children, George Glazer rarely made trips to Elko, perhaps two or three per year. Though just a short drive today, the trip took one day one-way by horse, and nearly a day round trip by train. The ranch had frequent visitors as a result of the railroad and the ranch business. In 1905 the Glazer ranch joined the modernization of the west and added a telephone and flush toilet.

There is very little published data on the dairy. The date of the Elburz token is uncertain, but probably from the 1907 to 1920 period. The Glazer dairy bottled some of their milk in embossed bottles. The bottle is rare, but nowhere near as rare as the token, for which there are less than five known to collectors. © 198[illegible]

80. KY 3150 A AKINS AUTO PARK vf an interesting story about this piece...about 12 years ago one of these was entered in an auction by a local dealer. He soon learned that his was only the second specimen known, and eventually received a high bid of $100...a staggering price for a Parking token even today! Anyway, as happens, this same dealer came onto a small hoard of same shortly after, somewhere between 25-30 pieces. I have acquired the last 4 pieces from this "hoard", and no other specimens have surfaced in the interim. Am going to set a Minimum bid of $12 each on the last of these "$100" pieces. Oh, by the way, most of the bid was re-funded to the zealous collector.

## TOKENS, MIRRORS, ETC.

I am a serious collector in the following categories and I am willing and able to pay TOP MARKET PRICES for these items. My primary interest is in building a fine collection and I've been buying alot of nice pieces ... so I must be doing something right. Please write or call me if you have something that you think might interest me. I also have a substantial trading stock ... but of course I prefer to purchase outright.

ALASKA TOKENS - cataloguing $50 and up in Benice. Will pay $3,500 for the first McCarthy Alaska gold nugget token offered to me (cats $500). Paying $3,000 for the first Willis & Welch Chatanika Alaska shellcard offered to me (cats $750).

TERRITORIAL TOKENS - Good fors from Wyoming Terr (W.T.), Dakota Terr (D.T.), Arizona Terr (A.T.), Montana Terr (M.T.), Washington Terr (W.T.), and some Okla and Indian Terr (O.T. and I.T.) tokens. Paying $500 and up for most D.T., M.T., and W.T. tokens (except Carter, Camp Brown, FJD, Ward, Wanless and McCormick).

TEXAS PICTORIAL TOKENS - Will pay TOP DOLLAR for brass or white metal Heidemann-struck pictorials depicting ELEPHANTS, steers, horses, lady's leg, buildings, etc. PAYING $850.00 FOR NICE WHITE METAL OR BRASS CANADIAN OR MOBEETIE ELEPHANT PICTORIAL TOKENS.

WESTERN STATES' GOOD-FOR MIRRORS - with pictures of the proprietor, fancy women or children on them. Paying $125 and MUCH MORE, depending upon the state and the mirror ... Colorado on West.

NEW MEXICO TOKENS - nice old good-fors. Any and all except the most common. There are many N.M. towns worth $100++ to me.

NEVADA TOKENS - nice old brass, aluminum or white metal good-fors. No modern gaming tokens. There are some towns worth several hundred dollars to me and quite a few worth $50 to $100++ to me. Many are "dug" so don't worry about condition ... I want 'em.

POST TRADER and WESTERN STATES' MILITARY - any old good-for saying "Trader" or "Post Trader". Also, old military tokens from Colorado on West.

SALOONS and INTERESTING OLD MAVERICKS - Paying top dollar for attributed or maverick saloons and ornate or pictorial mavericks depicting steers, burros, ELEPHANTS, horses, roosters, etc. I also collect the old novelty tokens that are Good for a (screw pictured) or Prize for the Largest (rooster pictured).

ALASKANA WANTED

While pre-statehood tokens have been my main collecting interest for many years, I am also interested in just about anything pertaining to the Alaska-Yukon-Pacific Exposition held in Seattle in 1909.

I have very little trading material other than Alaskan.

Please describe and price. Send for price list of more common items.

Dear Bill: We have a saying in my business, "If it ain't broke, don't fix it." It seems to me that Alan Weinberg is unaware that many of us are collectors and not professional dealers, and that we have to work (W-O-R-K, Alan) for a living, and don't have the wherewithall to swing "four figure token purchases" every week end. I packed up and went home Sunday, not because I wanted to, but I want to make next month's mortgage payment. In fact, had I been required to stay, I couldn't have made the meeting at all, since the table was necessary to offset expenses. I recall there were 25-30 tables there, and only two left Sunday? We didn't charge for admission did we? What is the problem, Alan?

Bill Massey

Bill, again, this month I received my ATCO to late to bid in those sales that closed early. I don't know when you send out the PA. ATCO's, but they sure are arriving late. Thought you would want to know.

Chas. Ziegler

(Editor's Note: Thanks for the info. Chas. All ATCOs are mailed at the same time! They are bagged and each state is separate from the other states. The post offices in some of the states are just plain slow as heck. If a few of our members who receive late copies would holler at the post office in their state it might help). See next letter.

Dear Bill: I'd like to propose that you offer ATCO members the option of electing first class delivery of ATCO issues - if they are willing to pay the extra postage. I would gladly pay it, and I think many others would too.

Dan Denice

(EDITOR'S NOTE: THE OPTION IS YOURS!!! IF YOU ARE WILLING TO PAY $7.50 FOR FIRST CLASS POSTAGE WE'LL GLADLY SEND YOUR ATCO BY FIRST CLASS MAIL. WE HAVE ABOUT 20 ON THE FIRST CLASS MAILING LIST AT THIS TIME. IT'S A LITTLE EXTRA WORK, BUT NOTHING THAT I CAN'T HANDLE. SO, IF YOU WANT FIRST CLASS MAIL, SEND YOUR CHECK FOR $7.50 AND YOU'VE GOT IT)

* * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * *

Dear Bill: Enclosed is $15.00 for renewal of my membership in ATCO. I had thought for a time that I would never have anything to do again with ATCO or tokens, but have come to the realization that just because some "Big shot ATCO token dealers" will not share honestly and openly their wealth of information with the rest of us "peons" I should not jepordize my membership in a fine organization like ATCO. This is not sour grapes as I still have one of the largest collections of Idaho tokens and mirrors - but I wish for the good of the hobby that the "Big Dealers" wouldn't be so greedy $$$ and share with the rest of us.

H. Pincock

A SAD NOTE!!!!! FORD KNIGHT

I JUST RECEIVED WORD FROM LORIN CRANSON THAT FORD KNIGHT WAS KILLED DURING A ROBBERY OF HIS BUSINESS IN MISSOULA, MONTANA.

I KNOW THAT I WILL MISS THIS GUY AND I'M SURE MANY OTHERS WILL ALSO. I STARTED TRADING WITH FOR SOME 20 YEARS AGO AND WE TRADED OVEF THE YEARS SINCE THAT TIME. HE WAS WELL KNOW AMONG THE MONTANA COLLECTORS AS BEING MOST KNOWLEDGEABLE WITH REGARD TO MONTANA TOKENS. I USED TO KID HIM ABOUT HIS PRINTING WHICH WAS AS NEAT ANY ANYONE COULD BE. HE HAD ONLY ONE MATCH AND THAT WAS LEW EGNEW WHEN IT COMES TO BEING ABLE TO PRINT LIKE IT CAME FROM A PRINTING PRESS.

WHAT A HECK OF A WAY TO GO!

EDITORIAL!

SOME OF YOU GUYS AND GALS JUST DON'T READ MY COMMENTS OR THE LETTERS TO THE EDITOR AND I WIND UP ANSWERING THE SAME QUESTIONS OVER AND OVER. I KNOW THAT YOU ARE INTERESTED IN GETTING TO THE MAIL BIDS, BUT LET'S START FROM THE BEGINNING AND GET ALL THE INFORMATION - O.K.?

WE HAD 53 LETTERS FOR THE COMBINED DECEMBER/JANUARY ISSUE AND ONLY ONE AGAINST. SO, THE NEXT ISSUE WILL BE A BIG ONE IF ALL THE ADS PROMISED ARRIVE IN TIME. ATCO STARTED WITH A FEBRUARY ISSUE SO IT SHOULD BE NO PROBLEM TO FILE BY VOLUME RATHER THAN BY MONTHS.

WITH THIS ISSUE ARE RENEWAL NOTICES FOR THOSE WHOSE MEMBERSHIPS EXPIRE WITH THIS ISSUE OR THE DECEMBER OR JANUARY ISSUES.

THE REASONS:

1. I WANT TO GET ALL THE BOOKKEEPING DONE THAT I CAN. THOSE WHO HAVE RENEWALS COMING DUE WITH THE FEBRUARY, MARCH OR APRIL ISSUES CAN RENEW EARLY TOO, IF YOU WISH, AS IT WILL HELP ME GREATLY IN GETTING THE BOOKKEEPING OUT OF THE WAY EARLY AND
2. ALLOW ME TO BUY THE SUPPLIES WE NEED FOR NEXT YEAR AND OUT OF THE WAY, BECAUSE
3. I WANT TO DEVOTE ALL THE TIME THAT I CAN ON THE NEW MEMBERSHIP LIST WHICH I'LL BE PREPARING DURING THE EXTRA TIME THAT I HAVE WITH MY LITTLE HOLIDAY FROM ATCO AND DURING THE HOLIDAY SEASONS.

* SO, IF YOU WILL PLEASE CO-OPERATE BY SENDING YOUR RENEWALS EARLY I CAN GET STUFF DONE AND WORK ON THE NEW MEMBERSHIP LIST - O.K.???

THERE, GUESS THAT IS ALL I HAVE TO SAY.

* * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * *

LETTERS TO THE EDITOR, continued:

Dear Bill: Just who in the heck was the ATCO member who stopped in POSEYVILLE, INDIANA, and bought some tokens and then asked the lady not to sell any more until he got rid of those that he bought from her as he did not want the price to be ruined until he got rid of his. What a deal. When a collector finds a hoard he should certainly let his fellow collectors know about it so that they don't get stuck with a high price by a fellow collector who is trying to make a killing before anyone finds out there is a hoard.

A bewildered ATCO member.

* * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * * *

Bill: I noticed in the October issue, which just arrived today, that some advertisers are still setting the closing date for sales at the 15th. Perhaps you shold mention again that the date should be the 25th! as the rules state. Some members seem to get their issues quite a bit earlier than others.

David Schenkman.

Editor's Note: I agree with you David. Some members do not get ATCO until about the 10th to 15th and it is really not fair to them. So, let's observe the custom of the 25th. O.K.?

## A LYNX & GOLD FEVER Walker Party, Lynx Creek, Hassayampa. Yavapai County, Arizona

Stories of Arizona's Mines and Early Mineral Discoveries by Governor Jack Williams and submitted by Jerri McDonald.

"There's gold in those mountains," an Indian told Joseph Walker in 1862. His words ignited a passion that drove a party of thirty-four men across desert, forest and mountains, and into the most dangerous Apache territory in Arizona.

So anxious were the prospectors that they disregarded the usual packing precautions. They stored their flour and gunpowder in weatherproof boxes, but everything else was subjected to desert heat and mountain storms.

Within a month, the party's clothes were in shreds. They skinned deer and wore the hides; and after winning a skirmish with the Indians, they scavenged their enemies' garments. But before they could wear the garments they had to bury them in ant hills to get rid of the lice. To make matters worse, they had to cut the hides off their back when they shrank after a rain.

Men driven crazy by the scorching desert heat were tied to their saddles by the others. Nothing was going to make the party turn back, not even the fierce Apaches who preyed on all travelers. In fact, Captain Walker decided to take the Apache leader, Mangas Coloradas as a hostage. With the help of the U.S. Army detachment, the group not only captured but killed the chief.

His death put the Apaches on the warpath and made travel far more difficult. But the Walker party relentlessly made its way up the Hassayampa River to a gold-filled creek where they camped. When Sam Miller, a member of the party, found a lynx lying in the water, he thought it was dead and leaned down to pick it up; it "came to life" and clawed Sam, who kicked the animal to death. Ever since, the creek has been known as Lynx Creek.

The party found gold everywhere they panned in the creek bed. Numerous placer mines were opened up and down the creek. Men worked in teams, one with a pick and the other with a gun, because the Apaches were a constant threat.

With the Indian raids becoming more frequent, the group's biggest worry was that their source of supplies would be cut off. They decided on a daring venture. They buried all their belongings in a fresh mound, built a fire over it to conceal the location and made a ten-day journey across the desert to the village of the friendly Pimas. They bought food sent out letters of their discovery and hightailed it back to camp. Everything was exactly as they had left it. Their cunning plan had paid off.

By 1886, a two mile stretch along the creek held some 20 houses with at least 60 men panning gold. Mills and smelters were built, and schools and a post office proved that this was a community of people who planned to stay.

They did...until the gold ran out. A few prospectors returned to Lynx Creek during the 1930s, but found little gold of real consequence. Although the creek yielded more than $2 million, the largest amount of any stream bed in the state, most of it was found during the first years of activity when the gold-choked river attracted an army of men who had traveled hundreds of miles for a dream such as this.

## TAYLOR DRURY PEDLAR & CO. LIMITED

A brief history of this well known Yukon trading company was published in the C.N.A. JOURNAL of March, 1967. The article recorded how Messrs Taylor and Drury met while en route to the Klondike but learned of a gold rush at Atlin, B.C. and opened a business there. In opposition to them were Whitney and Pedlar. Both firms moved to Lake Bennett during the construction of the White Pass and Yukon Railway to do business with the temporary population of 10,000 at Bennett City. In July, 1900 they took the first through train to Whitehorse the terminal and soon both firms were doing business there.

They remained in opposition until 1912 when Taylor Drury Pedlar & Co. Limited was incorporated. Using the steam-powered "kluahne" on the Yukon river system the Company opened and supplied trading posts at 18 locations, although no more than 12 were in operation at any one time. Tokens were used at these posts in order to avoid the need to hold large sums of money at each one. Acceptance of the tokens was so great that the native people hesitated to accept "steamboat money" from people travelling on the boat. While the name was changed to Taylor & Drury Limited in 1921, the tokens remained in use in some posts as late as the 1940's.

While these tokens have been long sought by collectors, we were aware of an overhang in the possession of the families and have wondered what might become of this remainder. The question has now been resolved with the purchase of all of these tokens by D. M. Stewart of Victoria, B.C. There were 33 of the $5.00 tokens which limits the number of sets available. The brass tokens in denominations of $5.00, $10.00 and $20.00 are in good condition but the aluminum 25¢, 50¢ and $1.00 tokens are worn, holed, bitten and generally in poor condition.

Collectors who might wish to acquire a set or individual pieces may do so by contacting Warren Baker of Montreal, John Cheramy of Victoria and Dick Hansom of The Coin Shop in Fairbanks, Alaska.

HERE WE GO AGAIN - - MAN HOLE COVER AS TAKEN FROM THE WALL STREET JOURNAL -10-10-85 and submitted by one of our members.

# A Neglected Form of Street Art Has Admirers Flipping Their Lids

By Lynn M. Dowling

*Special to The Wall Street Journal*

Utility companies aren't usually credited for creating works of art. It took Mimi Melnick of Los Angeles to set things straight.

Mrs. Melnick is a manhole-cover connoisseur, a woman who appreciates the art nouveau design and flowing script with which old manhole covers were once adorned. She is a manhole-cover preservationist who has convinced city councils in Los Angeles and Sacramento to make certain city manhole covers historic artifacts.

### Definitive Text

In 1975, she and her husband published the pioneering work, "Manhole Covers of Los Angeles," which is still the definitive text on manhole-cover history. Some of the specimens have been displayed in "The Robert and Mimi Melnick Manhole Cover Collection" at the city's Heritage Square, an outdoor historical "museum."

This manhole fascination all began about a decade ago, when Mrs. Melnick and her husband began looking for something unusual to hang above their sofa. At 300 pounds, the manhole cover wasn't a practical decorating idea, but the Melnicks grew enthusiastic over this neglected form of art. They began photographing covers, and soon had a collection of more than 200 photographs, enough for a book.

A year and a half ago, Mrs. Melnick began to notice that some of the early covers around Los Angeles were disappearing following street repairs. "They would take the old ones out and put new ones in," she says. "Nowadays they don't make the decorative covers. The modern ones just have treads to provide a little traction."

### Historic Items

It took her about a year to get the Los Angeles Board of Public Works to declare some of the covers historic items. In Sacramento, her campaign took just six days. "Sacramento has the most beautiful manhole covers in the state of California," says Mrs. Melnick. "When I told them that they were so thrilled. It was an edge they've been waiting for, something they could say they have that's better than San Francisco."

Mrs. Melnick has a personal collection of several "hand hole" covers, which are much smaller and used to cover water and gas meters. She also has three manhole covers. "There isn't much you can do with them, maybe make them into stepping stones or a coffee table base," she says. "You know what I'd love to do? Cut a hole in the living room carpet and install one. I don't know if I have the guts, though."

Dear Bill:

Being the naive person I am, I was quite surprised to find out some of the things that go on in so called "mail bid" sales. Now don't get "huffy", I'm not talking about ATCO mail bids. The ones I am talking about are some that are mailed out direct. For years I have been bidding on tokens in good faith without success. Now I find out all you have to do is call and some of them will tell you the "high bid". To me this is NOT a mail bid sale instead it's a buy sale. It's not right for honest people like myself to place a bid, thinking it will be considered and confidential only to have someone right behind me call, find out my bid, and over bid me. I know there is absolutely nothing I can do about it, but why don't they caption their offering as follows: SALE BY BID - CALL TO SEE WHAT HIGH BID IS AT THIS TIME. Like I say, I haven't found ATCO mail bids to be handled in this manner.

Chuck and Rosey did a super job at the St. Louis show. Yes, I was there and had a super time. I would like to thank Chuck but he might figure out how to find me by my postmark.

I am having a "ball" with my new collecting interest. I would like to tell you about it and share it with other collectors, but I'm afraid some West Coast investor would jump in and blow the prices out of shape like he did the manhole covers.

Catch you on the turn.

Binky

## TOKENS, MIRRORS, ETC.

I am a serious collector in the following categories and I am willing and able to pay TOP MARKET PRICES for these items. My primary interest is in building a fine collection and I've been buying alot of nice pieces ... so I must be doing something right. Please write or call me if you have something that you think might interest me. I also have a substantial trading stock ... but of course I prefer to purchase outright.

ALASKA TOKENS - cataloguing $50 and up in Benice. Will pay $3,500 for the first McCarthy Alaska gold nugget token offered to me (cats $500). Paying $3,000 for the first Willis & Welch Chatanika Alaska shellcard offered to me (cats $750).

TERRITORIAL TOKENS - Good fors from Wyoming Terr (W.T.), Dakota Terr (D.T.), Arizona Terr (A.T.), Montana Terr (M.T.), Washington Terr (W.T.), and some Okla and Indian Terr (O.T. and I.T.) tokens. Paying $500 and up for most D.T., M.T., and W.T. tokens (except Carter, Camp Brown, FJD, Ward, Wanless and McCormick).

TEXAS PICTORIAL TOKENS - Will pay TOP DOLLAR for brass or white metal Heidemann-struck pictorials depicting ELEPHANTS, steers, horses, lady's leg, buildings, etc. PAYING $250.00 FOR NICE WHITE METAL OR BRASS CANADIAN OR MOBEETIE ELEPHANT PICTORIAL TOKENS.

WESTERN STATES' GOOD-FOR MIRRORS - with pictures of the proprietor, fancy women or children on them. Paying $125 and MUCH MORE, depending upon the state and the mirror ... Colorado on West.

NEW MEXICO TOKENS - nice old good-fors. Any and all except the most common. There are many N.M. towns worth $100++ to me.

NEVADA TOKENS - nice old brass, aluminum or white metal good-fors. No modern gaming tokens. There are some towns worth several hundred dollars to me and quite a few worth $50 to $100++ to me. Many are "dug" so don't worry about condition ... I want 'em.

POST TRADER and WESTERN STATES' MILITARY - any old good-for saying "Trader" or "Post Trader". Also, old military tokens from Colorado on West.

SALOONS and INTERESTING OLD MAVERICKS - Paying top dollar for attributed or maverick saloons and ornate or pictorial mavericks depicting steers, burros, ELEPHANTS, horses, roosters, etc. I also collect the old novelty tokens that are Good for a (screw pictured) or Prize for the Largest (rooster pictured).

END OF SALE

We could pop a lot more items in the remaining space, but just choose to say thanks for bidding, and thanks for your patience with me. I have made a few dumb mistakes, but have corrected. For those inconvenienced, my apologies.

I need to buy tokens, coins, stamps, medals, so-called dollars, fair & expo. items, and all things pertaining to the San Gabriel Valley, Ca. area. Of particular interest is Arcadia, Monrovia, Sierra Madre, Temple City, Alhambra, San Gabriel.

If your visiting So. California, and have the time, would love to have you stop by the shop and say hello.

Trades welcome for items I can use; which is many.

I lecture on coins(have given over 1200 talks in eleven years to service clubs, Masonic groups, etc.) I offer my own little "Token of Friendship". If you want one, let me know.

## TRIBUTES TO FORD KNIGHT

I'm Lance Johnson and I've been collecting Montana tokens for two years. When I first started collecting I became very excited about it as most beginners are. Along with being new in the hobby I needed some guidance along the way. This is where Ford Knight came in. I met Ford last summer in his shop and we shook hands and began looking through each others collections. I became very impressed with his knowledge of Montana tokens and their history. He was a kind and giving person. We had corresponded by phone and mail for about two years. I think all collectors can relate to this type of friendship as we are scattered from one state to the next. Ford was an avid sports fan and we were always discussing different sports events. What impressed me the most about Ford was his love for his family and friends. They were always number one in his life and he spoke of them often. Speaking for all the collectors who heave dealt with Ford in the past, we will miss Ford but we will remember his donation in the preservation of Montana tokens and history. Most of all we thank him for sharing his life and knowledge with the many collectors and friends that he touched. And I'm sure that Montana was proud to have him as part of it heritage. Let's remember, as collectors, that men like Ford helped uncover history in the past and foremost he took the time to be a friend.

FORD KNIGHT - a remembrance

Husband, father, grandfather, friend.
A man who love life and lived it.
A man who lived life and loved it.
The warm embrace of the smile in his voice.

A gentleman, a professional, busy but always time for a friend,
an acquaintance, a fellow collector.

We mourn the passing of this dear man for the losss of his expertise, his knowledge his friendship.

We will miss Ford Knight!!! (Don Archibald)

## W A R N I N G SOME ARIZONA TOKENS MAY STILL BE STOLEN TOKENS

THEY WEREN'T JUST PLAYING TRIVIAL PURSUIT (FROM: ARIZONA HISTORY - NOVEMBER DECEMBER 1985 PUBLISHED BY ARIZONA HISTORICAL SOCIETY)

GOOD GOING, GUYS! After almost a year of intensive detective work, the staff at the Arizona Historical Society, Tucson has reccovered a number of very vauluable Arizona trade tokens that were stolen four years ago....

Three years ago AHS registrar Bruce Hilpert discovered the theft of 35 trade tokens from the museum collections. Visitor access records indicated that only two people had studied the collection in the past five years, and other records placed the time of the theft as sometime during 1981.

Although frustrated initially, Hilpert continued his efforts, gaining much information from local token collectors. In 1982 he was able to confirm that a local individual had several of our rarest tokens in his possession. During May of 1985 Collections Manager Jay Van Orden contacted the Attorney General's office about pursuing recovery of the stolen tokens. Pima County Sheriff's detective Tom Petropoulos, a life-long history buff, agreed to assist.

Eventually eleven of the tokens (including two of the most rare) were voluntarily returned. History museums around the state probably have trade tokens in their collections, and staff members should be aware of their historical and monetary value, cautioned Hilpert.

(Editor's Note: If any ATCO members have had dealings where there is some possibility that the tokens they traded for or purchased might be "stolen tokens" they should contact the Pima County Sheriff's Detective Tom Petropoulos. Let's try and be cooperative and help convict the person who did this thing. Token collectors are noted for being honest in their dealings and we don't need even one rotten apple involed in token collecting!!!!)

## REVIEW - - THE TRADE TOKENS OF KITSAP, LEWIS, MASON & THURSTON COUNTIES OF WASHINGTON STATE BY AL ERICKSON, NOVEMBER 1985

I just received a copy of Al Erickson's catalog of the above tokens. It is well done and includes the following information: List of the towns, acknowledgements, format, rarity guide and a maverick list.

The towns are well laid out with a complete description of each token known from the above counties in Washington. It is printed on both sides of 8½ x 11" white paper and easy to read.

If you are a collector of Washington tokens or have an interest in Washington tokens then this catalog is a must! See Al's ad in the back section of this issue of ATCO for ordering information.

## RESIGNED!

Got a call from Chuck and Rosie Littlefield. Chuck has sold all his tokens and is retiring (somewhat, I hope) from the token field.

I just hope that the token bug has bit them both enough to where they will be back with us.

I've known Chuck and Rosie for some 15 years and will miss their friendly calls. When I was in St. Louis years ago we used to go to Chuck's place or go out to dinner and have many long hours to talk about tokens.

We'll miss both of you guys!!! GOOD LUCK IN YOUR NEW JOB!!!

The Editor

## ANOTHER SAD NOTE!!!

I RECEIVED A PHONE CALL FROM MRS. VARNER THAT PAUL VARNER HAD PASSED AWAY. ANOTHER GOOD FRIEND HAS LEFT THE RANKS OF ATCO, BUT, MRS. VARNER WILL CONTINUE WITH PAUL'S COLLECTION OF NEBRASKA AND NEW MEXICO TOKENS.

I FIRST MET PAUL YEARS AGO WHEN I WAS WORKING IN ALAMOGORDO, NEW MEXICO FOR THE GOOD SAMARITAN SOCIETY ESTABLISHING THE GOOD SAMARITAN RETIREMENT VILLAGE THERE. I WOULD STOP BY PAUL'S BUSINESS AND VISIT WITH HIM. WE TRADED TOKENS AND ALWAYS FOUND PAUL TO BE MOST FAIR IN HIS DEALINGS, WHETHER I TRADED WITH HIM OR SOLD HIM TOKENS.

I'M SURE THAT MANY OF YOU FOUND PAUL TO BE A WONDERFUL PERSON AND FAIR TO DEAL WITH. WE'll MISS HIM!!!!!

WE WELCOME: MAUDIE S. VARNER, LM #46, 211 TENTH STREET, ALAMOGORDO, NEW MEXICO 88310

## A HAPPIER NOTE!

I'VE RECEIVED MANY, MANY LETTERS AND PHONE CALLS PRAISING CHUCK AND ROSIE LITTLEFIELD FOR THE FINE SHOW THAT THEY PUT ON IN ST. LOUIS. MANY HAVE STATED AN INTEREST IN HAVING IT THERE AGAIN.

SO, FROM ALL OF US, CHUCK AND ROSIE - - A GREAT BIG THANKS!!!!

## IKO-TAMS '85

BY ALAN V. WEINBERG

IN MY MANY YEARS OF COLLECTING TOKENS, I'D NEVER ATTENDED IKO-TAMS BEFORE, THINKING IT WAS TOO SMALL AND "LOCAL" A SHOW TO WARRANT THE LONG AND COSTLY FLIGHT.

BUT AT THE URGING OF LLOYD WAGAMAN AND GAYLOR LIPSCOMB AT ATCO, I DECIDED TO TRY IT ONCE. AND BOY, DID I HAVE FUN!

IT WAS A GOOD SHOW. WELL WORTH ATTENDING IN TERMS OF COLLECTOR CAMARADERIE, AVAILABILITY OF GOOD COLLECTIBLE TOKENS ( NOT JUST OHIO, INDIANA AND KENTUCKY PIECES), AND FURTHERING ONE'S EDUCATION ON TOKENS.

GAYLOR LIPSCOMB, ONE OF THE MOST GREGARION COLLECTORS I KNOW (AND THE AUTHOR OF A SOON-TO-BE-RELEASED OHIO TOKEN REFERENCES) PUT THE SHOW TOGETHER...AND DID A SUPERB JOB OF IT. AND HANK SPANGENBERGER, LONG RESPECTED IN OUR HOBBY, HELD AN ACTIVELY BID FLOOR AUCTION FOLLOWED BY A DELICIOUS BUFFET HOSTED BY HIS CHARMING WIFE.

THERE ARE A LOT OF COLLECTORS OUT THERE. SOME WITH SPECIALTIES YOU WOULD NOT BELIEVE. I HAD PEOPLE ASKING ME FOR TOKENS FROM LATIN AMERICA ALL THE WAY TO TOKENS PERTAINING TO LIGHTENING ROD PROTECTION ... AT IKO-TAMS.

THIS IS ONE GREAT HOBBY!

## 19 YEAR OLD ACCUSED OF MURDER OF FORD KNIGHT - STEED CONFESSED MURDER, POLICE REPORT! HELD ON 115,000 BAIL - - -

DENNIS LEE STEED, THE 19 YEAR-OLD ACCUSED OF FATALLY BEATING AND STABBING MISSOULA PAWN-BROKER CHARLES S. "FORD" KNIGHT, OCTOBER 9, SITS IN JUSTICE COURT MONDAY AWAITING ARRAIGNMENT.

IT IS TO BAD THAT THESE THINGS HAVE TO HAPPEN, BUT THEY DO.

AS STATED BEFORE, WE'LL ALL MISS FORD. HE WAS A SUPER PERSON TO KNOW AND DEAL WITH IN THE TOKEN FIELD AND THE KNOWLEDGE THAT HE HAD OF MONTANA TOKENS WAS GREAT.

LETTERS TO THE EDITOR:

Dear Bill: Every month I say to myself: you oughtta write Bill the long sufferin' hard-working all-around good egg ATCO Editor and urge him to get a word processor - - rather than a typewriter!! No foolin' it'd be a hand to help with ATCO, & with your own stuff too. Just look at how many of the ads & auctions, etc., in each issue are done on these handy hi-tech units. Just be sure that service is locally available for what you get, & that you get one wiich is programmable. If you start up a campaign, I'll contribute more and I bet a lot of"ATCO-ITES" would too!!! Anyway, thanks & keep pluggin.
Best for Now, Dana Roberts.
P.S. I betcha Binky gets me!

( Editor's Note: Thanks for the kind words. They are needed from time to time. One letter I received made me about half sick, but there are always jerks around. At times being editor of ATCO is like being a fire hydrant at a dog show.
I have thought about a word processor, but they cost to much and I can get along with the new typewriter. Maybe sometime in the future when we get to 1,000 membership.)

## YOUR EDITOR SOUNDS OFF!!!

1. I had hoped to get better response on my request for renewals of memberships, but alas, only about 30% answered my request. There is a lot of work to do on the new membership list in addition to retyping the mailing list. If I don't get better response in the next couple of weeks I'll have to forget the membership list for a couple of months.

   To those 30% - - many, many thanks for the response and for the kind letters that went with most of the renewals!!!

2. Again, I want to talk about deadlining me. I go to the printers on the morning of the 20th at 8AM. If I get an ad on the morning of the 20th it is to late. IF the 20th falls on a week end I go to the printers on the Friday morning before the week end and at 8AM. If the 20th is (say) on Saturday, I've already gone to the printers and your ad is to late! Please keep this in mind when mailing - O.K.?

3. Many members joined ATCO and did not put their collecting interests in their letter. If you are one of these, please get your collecting interests to me so that I can enter them in the membership list. The membership list is one of the most used booklets that we have.

4. The rest of your guys and gals get your membership renewals to me in the next two weeks, I'll have time to get a membership list ready during the holiday period. If not, I just don't know???? There is much other work with ATCO besides the membership list and daily entry of membership renewals takes time. I had the time the last couple of weeks HOW ABOUT IT?

A RESPONSE TO SOUR GRAPES AND OTHER INEDIBLE THINGS BY THADDEUS.

BEING NEW TO TOKEN COLLECTING I HAVE NO MEMORIES OF HOW IT USED TO BE SO I AM NOT PREJUDICED BY THEM. I HAVE FOUND SOME MAIL ~~BIDDING~~ AUCTIONS THAT SPECIFIES THEY WOULD ACCEPT PHONE CALLS AND SPELLED OUT WHAT INFORMATION THEY WOULD RELEASE AND WHAT THEY WOULDN'T AND I FEEL THAT IS AN ETHICAL ATTITUDE. I WAS UPSET TO SEE ONE BIG ~~AUCTIONEER~~ DEALER IN A SALE EARLIER THIS YEAR SPELL OUT THAT BIDS WOULD BE ACCEPTED IN EVEN DOLLAR AMOUNTS AND THEN WHEN I REVIEWED THE PRICES REALIZED FIND ~~OF ALL~~ MANY ~~LESS THAN 1%~~ BIDS WERE NOT IN EVEN DOLLAR AMOUNTS.

As I said before I've only been into collecting tokens for a couple of years but I've asked a lot of people for a lot of help and to date I can only think of one person that didn't respond I guess he needed my stamp for a better purpose.

Perhaps I'm naive but I feel that if we can get more people interested in token collecting more tokens will be uncovered, discovered, recovered and also more information about them, you also create a market for your collection, for when

## SOUR GRAPES AND OTHER INEDIBLE THINGS"

BY THADDEUS

'HERE WERE MORE "SOUR GRAPES" ATTITUDES EXPRESSED IN THE NOVEMBER ATCO THAN :OULD BE REASONABLY EXPECTED.

SEEMS ANOTHER SIDE OF THE COIN NEEDS TO BE EXPRESSED. A COUNTER TO BINKY, IF YOU WILL.

ET'S TAKE THESE "SOUR GRAPES" POINT BY POINT.

S TO BINKY'S BEEF ON MAIL BIDS WHEREIN AN EARNEST AND SERIOUS BIDDER CAN CALL CLOSING NIGHT ND BID...I'M TOLD BINKY IS HIMSELF A LONGTIME VIOLATOR OF HIS OWN RULE . . . WAY BACK WHEN T WASN'T SO STYLISH OR NECESSARY TO PHONE THE CLOSING NIGHT. AS TO BINKY'S FAILURE AT IDDING COMPETITIVELY AND THUS HIS "SOUR GRAPES" ATTITUDE, COULD IT BE HIS OWN OBSOLETE TTITUDE TOWARD APPRECIATING VALUES? OR IS HE SPOILED BY ALL THE "RIPS" HE MAKES WHEN HE SN'T COMPETING WITH SO-CALLED "WEST COAST INVESTORS" (more properly called "serious buyers")

SUSPECT THE INCIDENT THAT TRIGGERED BINKY'S TIRADE INVOLVED A TOKEN THAT WAS BID UP OVER 400.00. BIDDING JUMPS WERE $30-$40 AT A TIME, OR 10% INCREASES, SO IT WASN'T A MATTER OF . PHONE BIDDER SURPASSING BINKY'S BID BY A FEW DOLLARS.

'HERE'S ALWAYS GOING TO BE SOME OLD TIMER WHO GRIPES AND MOANS THAT HE CAN NO LONGER COMPLETE FFECTIVELY DUE TO HIS OWN OBSOLETE BUYING PRICES - HUH, BINKY?

'INALLY, AS TO HOLLIS PINCOCK'S "SOUR GRAPES" ATTITUDE ABOUT "BIG SHOT DEALERS" NOT WILLING O SHARE "THEIR WEALTH OF INFORMATION" ON RARITY WITH HIM, CAUSING HIM TO CONSIDER RE- IGNING FROM THE HOBBY. GOOD FRIEF! THE RESEARCHERS, THE HARDWORKING DEALERS AND THE OLLECTORS WHO TAKE THE TIME, EFFORT AND MONEY TO STUDY, RESEARCH, PHONE AND TRAVEL TO ETTER LEARN THEIR FIRLD HAVE NO OBLIGATION TO PASS ON THIS HARD-EARNED KNOWLEDGE TO OTHERS.

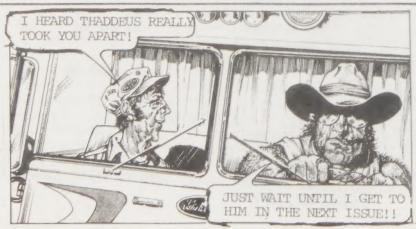

THE KEY TO SUCCESS IN OUR HOBBY IS KNOWLEDGE...KNOWING MORE THAN YOUR FELLOW COMPETING OLLECTORS. IT IS AN EXPENSIVE KNOWLEDGE TO ACQUIRE FROUGHT WITH ERRORS IN TRADING AND BUYING, FULL OF EXPENSIVE PHONE CALLS, EXPENSIVE BOOKS AND HOURS OF STUDYING BUSINESS DIRECTORIES, AND EXPENSIVE TRIPS CROSS-COUNTRY TO ATTEND TOKEN MEETS AND LEARN MORE ABOUT THE FIELD WE ARE IN.

HOLLIS WOULD HAVE THE SERIOUS COLLECTORS (KNOWN TO HIM AS "GREEDY BIG-SHOT DEALERS") CODDLE THE LESS AMBITIOUS AND EDUCATE THEM. THE WORLD, THANK YOU, IS NOT MADE THAT WAY. THERE MUST BE A REWARD FOR THOSE WHO WORK HARDER.

FINALLY, I'M SICK AND TIRED ABOUT HEARING THE TERM "TOKEN DEALERS" USED AS IF IT WERE A PEJORATIVE. THERE ARE ONLY A HANDFULL OF FULL TIME "PROFESSIONAL TOKEN DEALERS" WHO MAKE THEIR LIVING THAT WAY. AND EVERY SINGLE ONE OF THEM IS, IN HIS OWN RIGHT, AN ADVANCED, KNOWLEDGABLE, DEAD-SERIOUS COLLECTOR-SPECIALIST IN HIS OWN FIELD. HE IS NOT IN THE FIELD STRICTLY FOR THE MONEY. OR HE WOULD NOT LAST.

THADDEUS IS HERE TO STAY AND WILL CONTINUE TO COMMENT ON MISREPRESENTATIONS OR CONTROVERSIAL POSITIONS PUBLISHED IN ATCO OR THAT WHICH TROUBLES OUR HOBBY IN GENERAL. THANK YOU FOR LISTENING!

To the West of the Salt Lake Valley lies a range of mountains known as the Oquirrh range. Just a year after the Mormon pioneers entered the valley, Thomas and Sanford Bingham drove a herd of cattle into the mouth of a canyon in the range, and set up a camp in August,1848. It was not until 1863 that this canyon was prospected for minerals by soldiers of the 3rd California Infantry, stationed at Camp Douglas, just East of Salt Lake City. Because of its immense wealth in timber, gold, silver, lead and copper ore, many small towns were built. To the many mines that sprang up came foreigners from all countries, and it took little provocation to cause serious trouble between them. The unwritten law of the West settled serious trouble with a knife or a gun. In later years, the Utah Copper Division of the Kennecott Copper Corporation, took over much of the Canyon and its mines,producing 20 per cent of the nation's new copper and 6.5 per cent of the free world's supply. Over the years, more than two billion tons of material were taken from its open pit mine making it the world's largest man made excavation. As it expanded it swallowed up the canyon and the small towns. The town of Bingham never attained old age as it was only incorporated in 1904, and officially ceased to exist on November 22,1971. There are no saloons, no stores, no rooming houses, only token coins left to remind us of its residents, together with tales of the West. Perhaps the following story should read, Once upon a time there was a Bingham Canyon,Utah.

SAGA OF UTAH'S LARGEST MAN - HUNT
By Harry F. Campbell.

On November 21st, 1913, a Mexican miner by the name of Rafael Lopez shot and killed another miner, by the name of Juan Valdez, with whom he was acqainted. The killing took place in the area of 'Highland Boy', a small town just above Bingham. The cause is believed to have been a feud involving a girl and the death of Lopez's brother some time before.

Law officers arriving from Bingham found that Lopez had fled south over the Utah Copper Mine's hill, and his tracks in the snow indicated that he was going in the direction of Utah Lake. Learning that he had taken his rifle and cartridges, officers Julius Sorenson, William J. (Bill) Grant (Bingham Police Chief), Otto Whitbeck, and Nephi Jensen set out in pursuit and caught up with him in the area of the Jones ranch near Utah Lake. Being a deadly shot, Lopez gunned three of the posse to death, with Sorenson escaping to raise the alarm. Sheriff Smith of Salt Lake County set out in pursuit along with many sightseers who came by automobile, by rail, on horse, and on foot. A search revealed no fugitive, and it was thought by many that some lacked the will to search dilligently due to fear of Lopez's shooting ability. With many frayed nerves, the hunt was called off. The next morning a small posse came under fire from a mountain position near the lake, and taunts from Lopez towards Officer Sorenson, who he disliked for roughing him up on a previous occasion in Bingham, caused Sorenson and the posse to withdraw for more men. It was not until the following morning that another posse arrived only to find Lopez gone.

For nine days nothing was known as to his whereabouts, until an Italian miner by the name of Charles Ovi claimed that Lopez had come to his cabin near the mouth of the 'Minnie Mine', in Bingham Canyon. With his wife and four children present, he claimed that Lopez had taken supplies and forced him to trade his rifle for Lopez's, which was of a different calibre and was low on shells. He further stated that Lopez had taken blankets and quilts and had gone into the #2 mine.

The ten miles of underground working were no match for the peace officers, but Lopez knew them well. It was decided to smoke him out, and hay and damp wood were piled at each entrance to the mine. On November 23, 1913, whilst hauling hay up the 'Andy' incline to block one of these entrances, an Austrian miner by the name of Vasa Manderich

cont:

was shot through the heart and died instantly. A man with him named J. Douglas Hulsey was shot through the lung and foot and fell down the incline. Rolling into a post, he lay moaning for some time until rescued by Doc. Ray and an unidentified helper. Law officers at the foot of the incline came under taunts from above and came under fire, but no one was hit further in the darkness. The decision to smoke him out threw some two hundred miners out of work for the next ten days, with a loss of thousands of dollars in production, not counting the cost to local authorities.

Betting that the oxygen was now used up and that Lopez must be dead, officials found only his blankets and quilts. Lopez was no where to be found! Rumors flew thick and fast as to where he might be, but to this day, no one knows what really happened to Rafael Lopez.

A report in the Salt Lake Tribune newspaper of January 7,1915 is as follows: Ogden, Jan 6. Rafael Lopez, Mexican wanted for murder, is still being sought by Sheriff T.A. Devine and his deputies. Although not the original Lopez, the man who is being sought here is the cousin of the Utah man-killer, according to a letter received by Sheriff Devine from Sheriff Matt McCourt of Rock Springs, Wyoming. Said that Lopez had killed a man at Rock Springs and escaped to the West.

A further report in the Tribune of January 17, 1915, told of a bill introduced in the Utah legislature to provide an appropriation for the families of four of the deputy Sheriffs killed by Lopez. Of the five men killed by Lopez (Hulsey later died), four were married and one was single. The bill for $10,000.00 for the families of the men killed went to committee.

Charles Ovi, the Italian made famous during the Utah man-hunt, had lived under the alias of Mike Stefano as a matter of protection from the Mexican friends of Lopez for turning him in. On the morning of January 19, 1915, whilst working in the Utah-Apex mine with his friend, Frank Molassi, he drilled into a missed hole and hit a stick of dynamite. The resulting explosion drove his pick into his chest, blew out his eyes, and tore off his right hand, killing him. Molassi was badly bruised and in shock, but was otherwise unhurt.

In February, 1915, the Utah-Apex mine had a miner who amused himself by shouting references to Lopez in the 'Andy' workings near where J. Douglas Hulsey and Joe Manderich were killed. Voices of ghosts to frighten miners during Bingham's heyday!!

ALASKANA WANTED

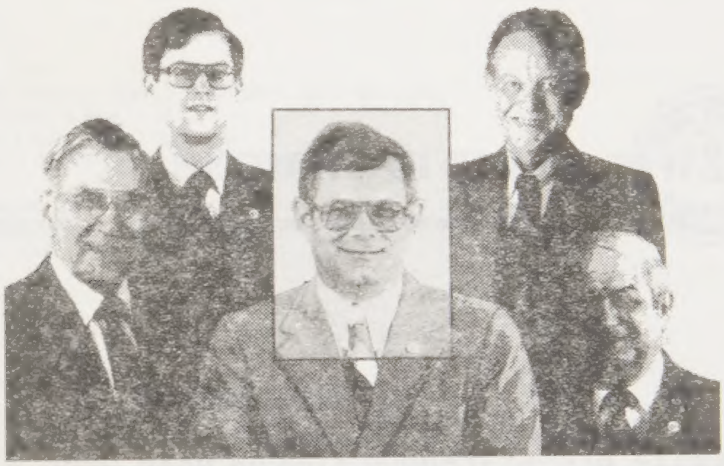

While pre-statehood tokens have been my main collecting interest for many years, I am also interested in just about anything pertaining to the Alaska-Yukon-Pacific Exposition held in Seattle in 1909.

I have very little trading material other than Alaskan.

Please describe and price. Send for price list of more common items.

# THE DR. PHILIP W. WHITELEY COLLECTION OF COLORADO TOKENS

The tokens below are all ex-Dr. Philip W. Whiteley collection and are seeing "the light of day" for the 1st time in well over a decade. Dr. Whiteley, as many of you know, was a Colorado historian and exonumist extraordinaire. These tokens are for trade for items I collect (see my usual full page ATCO ad) but I will consider cash offers.
